**BEST AVAILABLE COPY**

**NOTE:** Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with the provisions of Sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
  - a. Add the phrase "EPA Registration No. 40281-1" to the label before the product is released for shipment.
  - b. Change the statement "Keep out of reach of young children" to read "Keep Out of Reach of Children," on the front panel.
  - c. On the back panel change the statement, "Keep out of reach of young children. Instruct older children in the proper use of this product," to "keep out of reach of children."
  - d. The ingredient statement must appear on the front panel.
3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-75 enclosure for a further description of final printed labeling.

ATTACHMENT IS APPLICABLE

SIGNATURE OF APPROVING OFFICIAL  DATE **9-19-84**

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Back

Don't Bug Me! insect repellent spray provides effective protection for exposed skin surfaces from mosquitoes, biting flies, chiggers, ticks, gnats and fleas for up to 10 hours with one application.

#### Precautionary Statements

Hazards to humans - Caution - Keep out of reach of young children. Instruct older children in the proper use of this product. Avoid contact with lips or eyes. In case of contact with eyes, flush with water. Physical hazards - Flammable - Keep away from heat, sparks and open flame.

#### Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. To repel the insects listed: spray on all exposed skin surfaces... spread by hand for maximum protection. For ticks and chiggers, also apply to shoe tops, socks, and around openings in clothing. Avoid contact with plastics such as eyeglass frames, and such fabrics as acetate rayon.

Storage: Store in a cool dry area away from heat or open flame.

Disposal: Do not re-use empty container. Wrap container and put in trash collection.

#### Active Ingredients

N-N-diethyl-m-toluamide	94.525%
Other isomers	4.975%

#### Inert ingredients
