

killing vegetation around shrubs, trees and buildings, hold the sprayer 2 to 6 inches from the area to be treated. Be sure that all undesirable vegetation is thoroughly covered.

HOW TO USE (1 Gallon): Shake well before using. Remove cap from applicator top and be certain that applicator top is firmly on jug. Invert jug and adjust stream of product by changing the angle and height at which the bottle is held. For edging around fences, lawns and sidewalks and top killing vegetation around shrubs, trees and buildings, hold the container 2 to 6 inches from the area to be treated depending upon the desired width of the spray pattern. For controlling weeds in unconfined areas such as gravel walks and driveways or patios, apply 1 gallon to 200 square feet. Holding the jug about waist high and away from the body to avoid contact with skin and clothing, walk slowly making sure that all undesirable vegetation is thoroughly covered. For spot treating, handle the jug so that the spray hits only the area to be treated.

SUPER K-GRO VEGETATION KILLER, FORMULA II may be applied anytime during the year when weeds are actively growing. For best results, apply during warm, sunny weather. Wilting will occur in 1 to 3 days and complete browning of vegetation in 5 to 7 days. Some hard to control weeds may require more than one application.

IMPORTANT: Apply when air is calm to avoid spray contacting desirable vegetation, green bark, broken bark, buds, or leaves of desirable plants as damage may result. Do not track spray from treated areas to untreated areas. Do not apply product around plants to be used for food or feed.

STORAGE & DISPOSAL

STORAGE: Protect from freezing. Store in original container preferably in a locked storage area inaccessible to children. To prevent cross-contamination, do not store near pesticides, fertilizers, seeds, food or feed.

DISPOSAL: Do not reuse empty container. Securely wrap original container in several layers of newspaper and discard in trash.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
