NOV 15 1988

TERM OF ISSUANCE

NOTICE OF PESTICIDE:

☒ REGISTRATION
☐ REREISTRATION

(Under the Federal Insecticide, Fungicide,
and Rodenticide Act, as amended)

NAME OF PESTICIDE PRODUCT

NAME AND ADDRESS OF REGISTRANT (Include ZIP code)

Michael J. ...
347- ...
... 7036-1627

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is no way to be construed as an endorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide product under the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclude use of the name or to its use if it has been covered by others.

MIDLAND TANKSIDE MICROBICIDE

ACTIVE INGREDIENT:

2-(Thiocyanomethylthio)benzothiazole 30%

INERT INGREDIENTS 70%

KEEP OUT OF REACH OF CHILDREN
DANGER

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER Causes irreversible eye damage. Causes skin irritation. This product may cause allergic skin reactions. Harmful if swallowed. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

STATEMENT OF PRACTICAL TREATMENT *If in eyes*, flush with plenty of water. Get medical attention. *If on skin*, wash with plenty of soap and water. Get medical attention. *If swallowed*, drink promptly a large quantity of milk, egg whites, gelatin solution or, if these are not available, drink large quantities of water. Avoid alcohol. Get medical attention. *Note to physician*: Probable mucosal damage may contraindicate gastric lavage.

ENVIRONMENTAL HAZARDS This pesticide is toxic to fish. Do not apply in marine waters or estuaries or bays. Do not discharge effluent containing this active ingredient into lakes, streams, ponds, estuaries, oceans, or public waters unless this product is specifically identified and addressed in an NPDES permit. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

DIRECTIONS

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

MIDLAND TANKSIDE MICROBI is used for the fungal degradation of water-borne emulsifiable cutting fluids during operations. It should be used at a rate that will provide 150 parts per million of MIDLAND TANKSIDE MICROBICIDE with water. MIDLAND TANKSIDE MICROBICIDE may be diluted or to the concentrate before use. For growth on the inside walls of fluid storage tanks, higher concentrations of MIDLAND TANKSIDE MICROBICIDE are needed. For the recommended rate, MIDLAND TANKSIDE MICROBICIDE diluted fluid as it is prepared of 1000 to 1250 parts per million.

ACCEPT

NOV 15 1980

Under Federal Insecticide, Fungicide, and Rodenticide Act, as amended
pesticide registered under
EPA Reg No 463

STORAGE

Do not contaminate water, food, or feed by storage. **PESTICIDE STORAGE** Do not expose to rain or high humidity. Drums should be opened in well-ventilated areas. Do not use for disposal. Spills should be cleaned up.

PESTICIDE DISPOSAL Pesticide wastes are acutely toxic. Do not discharge into the environment. Do not use for disposal. Spills should be cleaned up according to the instructions. Contact your local or the Hazardous Waste representative at your location.
