SUPER K-GRO SHOOT-OUT! WEED & GRASS KILLER is formulated for "spot" application to individual weeds. This spot weed killer produces a foamy white lather for direct contact which avoids drift and marks weeds as they are treated. **SUPER K-GRO SHOOT-OUT! WEED & GRASS KILLER** moves systemically through all parts of the plant to kill root and all. Treated vegetation will usually show visible effects with 1 week on most weeds and a complete kill in 2 to 4 weeks.

TO APPLY:

Shake can well before use and occasionally during use. Invert can, hold at arms length and point can at weeds as you press button. **DO NOT PRESS BUTTON WHEN CAN IS IN UPRIGHT POSITION.** Stand close to weed(s) (1 to 2 feet) with can aimed at weed and away from face. Press on button briefly. Spray to cover weed thoroughly, but do not overspray. Spray foam will make coverage easy to see. One application will kill most listed weeds. If certain hard-to-kill weeds as Nutgrass, Bermudagrass, Canada Thistle, or Field Bindweed (Wild Morningglory) are not completely controlled within 4 weeks, repeat application. **IMPORTANT:** This product is a non-selective weed killer and will kill all vegetation contacted. Treated areas in lawns can be reseeded 7 days after application. Do not apply when rainfall is expected within 24 hours of application, as weed control will be reduced. Be careful when treating weeds not to spray surrounding desirable grasses or plants or they will also be killed. If spray drift accidentally contacts desirable foliage, wash off immediately with water.

STORAGE & DISPOSAL

Do not store near heat or open flame. Do not reuse empty container. Wrap container and put in trash collection.

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMAN & DOMESTIC ANIMALS**

Caution: Avoid contact with eyes. Immediately flush eyes with plenty of water for 15 minutes if contact does occur. If irritation persists, seek medical attention. Keep children and pets away from treated area until spray has thoroughly dried. Avoid contamination of food.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not contaminate water by cleaning of equipment or disposal of wastes.

46515-7

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Keep away from fires, sparks, and heated surfaces. Do not puncture or incinerate container. Exposure of temperatures above 130°F may cause bursting.

NOTICE: Buyer assumes all risks of use, storage or handling not in strict accordance with directions given herewith.
