Gentlemen:

Subject: Amended Labeling & Formulation
Super K-Gro Vegetation Killer Formula II
EPA Registration No. 46515-16
Your Submission Dated May 7, 1986

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA) is acceptable, provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

a. Correct the chemical declaration to read:

[6,7-dihydrodipyrido (1,2-a:2',1'-c)
pyrazinedium dibromide]

b. In the Hazards to Humans Section reinstate:

DO NOT GET ON SKIN. MAY BE FATAL IF SWALLOWED,
INHALED OR ABSORBED THROUGH SKIN.

add:

Wash thoroughly with soap and water after
handling. Remove contaminated clothing and
wash before reuse.

c. In the Environmental Hazards Section delete "domestic
irrigation."

CONCURRENCES

SYMBOL	SURNAME	DATE					

d. The EPA Establishment Number must include the Postal Service abbreviation of the State where the manufacturing plant is located.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

The new brand name in the subject is acceptable.

The amended labeling and formulation supersedes all previously accepted ones.

Sincerely yours,

for Richard F. Mountfort

ACCEPTED
with comment
MAY 16 1986
 Under the Federal Insecticide, Fungicide, and Herbicide Act, as amended, for the use of... registered under EPA Reg. No. 46515-1b

SUPER K-GRO
VEGETATION KILLER
FORMULA II

TOP KILLS GRASSES AND WEEDS ON CONTACT
WILL NOT STERILIZE SOIL

ACTIVE INGREDIENTS:	By Wt.
Diquat dibromide [6,7-dihydro- ^{di} pyrido (1,2-a:2',1'-c)pyrazinediyl dibromide]	0.23%
INERT INGREDIENTS	<u>99.77%</u>
TOTAL	100.00%

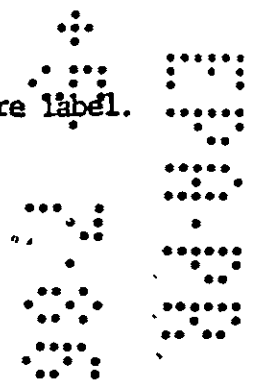

Contains 0.01 lbs. Diquat Cation per gal.
 0.02 lbs. Salt per gal.

KEEP OUT OF REACH OF CHILDREN

WARNING

See back panel for additional precautionary statements. Read entire label.

NET CONTENTS 1 PT. 8 FL. OZ.

IMPORTANT: To avoid damage or poor results, carefully read all directions and precautionary statements.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Abundant

WARNING: Keep out of reach of children. May cause eye and skin irritation. Do not breathe vapors or spray mist. Do not allow spray to contaminate food, feed or water supplies. Keep children and domestic animals off treated areas until spray has thoroughly dried.

STATEMENT OF PRACTICAL TREATMENT

IF SWALLOWED: Call a physician or Poison Control Center immediately. Drink 1 or 2 glasses of milk, egg whites or gelatin solution. If these are unavailable, drink 1 or 2 glasses of water.

IF IN EYES: Flush eyes with water for 15 minutes and get medical attention.

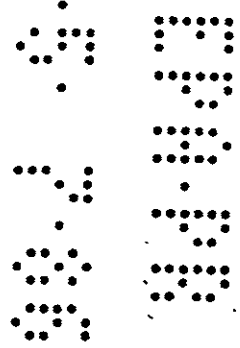

IF ON SKIN: Remove contaminated clothing and wash affected area with plenty of water. Call a physician if irritation develops.

IF INHALED: Remove victim to fresh air. If appropriate, give artificial respiration. Get medical attention.

NOTE TO PHYSICIAN: Emergency information - call 1-800/858-7378.

ENVIRONMENTAL HAZARDS

Do not apply directly to water. Do not apply where runoff is likely to occur. Do not contaminate domestic irrigation water by cleaning of equipment or disposal of waste. This product is toxic to fish and wildlife. Birds and other wildlife in treated areas may be killed. Do not apply when weather conditions favor drift from treated areas.

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

SUPER K-GRO VEGETATION KILLER, FORMULA II is a Ready-To-Use, non-selective herbicide that kills grasses and weeds on contact. This product becomes quickly inactivated on contact with soil and will not sterilize the soil when used as directed. It will not stain paved or graveled areas. Apply as directed to control unwanted vegetation around shrubs, trees, buildings, patios, in brick and gravel walks and along fences, driveways and sidewalks.

HOW TO USE: Adjust the nozzle to desired spray pattern and thoroughly cover unwanted vegetation. For top killing vegetation around shrubs, trees and buildings hold the sprayer 2 to 6 inches from the area to be treated. Be sure that all undesirable vegetation is thoroughly covered.

SUPER K-GRO VEGETATION KILLER, FORMULA II may be applied anytime during the year when weeds are actively growing. For best results, apply during warm, sunny weather. Wilting will occur in 1 to 3 days and complete browning of vegetation in 5 to 7 days. Some hard to control weeds may require more than one application.

IMPORTANT: Apply when air is calm to avoid spray contacting desirable vegetation, green bark, or broken bark as damage may result. Do not apply product around plants to be used for food or feed.

STORAGE & DISPOSAL

STORAGE: Protect from freezing. Store in original container in locked storage area inaccessible to children. To prevent cross-contamination, do not store near pesticides, fertilizers, seeds, food or feed.

DISPOSAL: Do not reuse empty container. Securely wrap original container in several layers of newspaper and discard in trash.
