**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
WARNING**

) Causes substantial but temporary eye injury. Harmful if swallowed, inhaled or absorbed through skin. Avoid contact with eyes, skin or clothing. Avoid breathing vapor or spray mist. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before reuse.

STATEMENT OF PRACTICAL TREATMENT

IF IN EYES: Flush eyes with plenty of water. Call a physician if irritation persists.

IF SWALLOWED: Call a physician or Poison Control Center. Give water if conscious. May present aspiration hazard. DO NOT induce vomiting.

IF ON SKIN: Wash skin with plenty of soap and water. Get medical advice.

) IF INHALED: Remove victim to fresh air.

) NOTE TO PHYSICIAN: If swallowed, lavage stomach, taking care to avoid aspiration of stomach contents into lungs.

Emergency Information: 1-800/858-7379
Other Information: 1-313/459-4200

ENVIRONMENTAL HAZARDS

Do not use on slopes or in areas where runoff is likely to occur (apply only to level surfaces). Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwaters. Apply this product only as specified on this label.

PHYSICAL HAZARDS

Do not use or store near heat or open flame.

K GRO^RDRIVEWAY & PATIO VEGETATION KILLER CONCENTRATE is for non-selective weed and grass control in Driveways, Patios and along Fence Rows. It prevents annual weeds and grass seedlings from germinating during the entire season. This product kills most young weeds and grasses on contact and provides long lasting control. Wilting will begin within several days. **DO NOT USE IN VEGETABLE OR FLOWER GARDENS OR ON LAWNS.**

Controls annual and susceptible perennial weeds (such as downy brome grass, oatgrass, goosegrass, quackgrass, puncturevine, goldenrod, and plantain), hard-to-kill perennial broadleaf and grass weeds (such as bindweed and johnsongrass) as well as the biennials common mullein and wild carrot.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **FOR HOMEOWNER USE ONLY.**

HOW TO USE: For best results, apply to bare ground in early Spring before weeds germinate. During seasons of unusually high rainfall or to control deep rooted perennial weeds, a second application may be necessary.

FOR WALKS, DRIVEWAYS, PATIOS, AND GRAVELED AREA

For control of annual and susceptible perennial weeds, mix 1 - 1 1/2 pints K GRO^R Driveway & Patio Vegetation Killer Concentrate with 2 1/2 gallons of water and apply over 100 sq. ft. Use a sprinkling can or sprayer to thoroughly wet bare ground and all foliage. Clean application equipment following use by triple rinsing with water. Apply rinse water to treated area. Water lightly after application to minimize lateral movement. Mix only quantity needed and use immediately. Do not store dilute solution once container is opened.

For control of hard-to-kill perennial weeds and biennials, use 2 - 2 3/4 qts. in 2 1/2 gallons of water and apply over 100 sq. ft.

FOR AREAS WHERE HEAVY GRASS AND WEED GROWTH IS PRESENT

Remove weeds taller than 4 - 6 inches by hoeing or it may be necessary to make a second application. Apply to bare soil to prevent regrowth.

PRECAUTION: Apply when air is calm to avoid the possibility of drift onto desirable plants, grass, trees or ornamentals. Do not use this product on lawns. Do not use close to desirable flower beds. Do not apply over root zones of valuable trees, shrubs or woody ornamental plants. **DO NOT USE ON CULTIVATED AREAS, OR ON GROUND THAT IS TO BE CULTIVATED OR NEAR THE DRIP LINE OF TREES OR SHRUBS.** Do not use on slopes or areas where runoff is likely to occur. Keep children and animals off treated areas until these areas are dry.

) **STORAGE & DISPOSAL**

Do not contaminate water, food or feed by storage or disposal.

) **STORAGE:** Store product in original container preferably in a locked area inaccessible to children. Do not store near fertilizer, seed or food products.

DISPOSAL: Do not reuse empty container. Wrap container in several layers of newspaper and put in trash.

NOTICE: Buyer assumes all responsibility for safety and use not in accordance with directions.
