NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data or other material required for registration/reregistration of your product under FIFRA sec. 3(c)(5) or FIFRA sec. 4 when the Agency requires all registrants of similar products to submit such data.

2. Make the labeling change listed below before you release the product for shipment:

a. Add the phrase, "EPA Registration No. 46515-38."

b. Under Precautionary Statements add the following:

". . contact with skin or eyes. In case of contact, flush with plenty of water. Wash with soap and warm water after use. Remove contaminated . ."

"Do not use in commercial food processing, preparation, food storage or serving areas. In the home, all food processing surfaces and utensils should be covered during treatment, or thoroughly washed before use. Exposed food should be covered or removed. Remove pets, birds, and cover fish aquariums before spraying."

c. Add under Directions For Use:

"Do not use this unit in a cabinet or under a counter or table. Do not use this unit in an area less than 400 cubic feet."

d. The term "Rid" is unacceptable and must be deleted. Terms implying total eradication are unacceptable.

3. Submit five copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

**CAUTION**

See back panel for additional precautionary statements

Read entire label

Net Weight 5 oz. [15 oz., 3 x 5 oz. cans]

BACK PANEL

**IMPORTANT: TO AVOID DAMAGE OR POOR RESULTS, CAREFULLY READ ALL DIRECTIONS AND PRECAUTIONARY STATEMENTS.**

**DIRECTIONS FOR USE:** It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

**Shake well before using. Keep container upright.**

This product kills ants, cockroaches, confused flour beetles, crickets, fleas, houseflies, mosquitoes, pill bugs, rice weevils, saw-toothed grain beetles, small flying moths, and ticks.

Use one unit for each 5,000 cubic feet of unobstructed area (Example: 25 ft. long, by 25 ft. wide, by 8 ft. high). Use additional units for remote rooms or where free flow of the mist is not assured. Do not remain in the area during treatment. Ventilate thoroughly before re-entry.

**PREPARATION:** Cover exposed food, dishes and food handling equipment. Open cabinets and doors to areas to be treated. Shut off fans and air conditioners. Put out all flames and pilot lights. Close doors and windows. Remove pets, birds, and cover fish aquariums before spraying. All food processing surfaces and utensils should be covered during treatment or thoroughly washed before use.

4 2 4

**TO START FOGGING:** Point valve opening away from face and eyes when releasing. To lock valve in open position for automatic discharge, press the valve button all the way down, hooking the catch. Then place the fogger on a stand or table in the center of the room with the valve locked open, placing several layers of newspaper or pad under the fogger. **LEAVE BUILDING AT ONCE** and keep the building closed for 4 hours before airing out. Open all doors and windows and allow to air for 30 minutes. Repeat spraying in 2 weeks or when necessary.

**To kill ticks and fleas:** Old pet bedding should be removed and replaced with clean fresh bedding after treatment. Pets should be treated with a registered flea and tick control product in conjunction with this treatment.

**STORAGE AND DISPOSAL**

**STORAGE:** Store in a cool, dry area, away from heat or open flame.

**DISPOSAL:** Replace cap and discard container in trash. Do not incinerate or puncture.

**PRECAUTIONARY STATEMENTS**

**HAZARDS TO HUMANS AND DOMESTIC ANIMALS**

**CAUTION:** Harmful if swallowed or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin or eyes. Remove contaminated clothing and wash before reuse. Avoid contamination of food or feedstuffs.

**STATEMENT OF PRACTICAL TREATMENT**

**If swallowed:** Call physician or Poison Control Center immediately.

**If in eyes:** Flush with plenty of water. Get medical attention if irritation persists.

**If on skin:** Wash with plenty of soap and warm water. Get medical attention if irritation persists.

**If inhaled:** Remove victim to fresh air if effects occur, and call a physician.

**Emergency 800/858-7378      Other 313/459-4200**

**PHYSICAL OR CHEMICAL HAZARDS**

Contents under pressure. Keep away from heat, sparks, and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting. Extremely flammable.

**NOTICE:** Buyer assumes all responsibility for safety and use not in accordance with directions.
