Gentlemen:

Subject: Revised Labeling and Alternate Formulations
Real-Wood Wood Preservative
EPA Registration No. 46614-1
Your Submission Dated November 6, 1991

The amendment referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended is acceptable provided that you:

1. Make the labeling changes listed below before you release the product for shipment bearing the amended labeling:

- Update the Environmental Hazards Statement to read:

Do not apply directly to water, to areas where surface water is present or to intertidal areas below the mean high water mark.

2. Submit one (1) copy of your final printed labeling before you release the product for shipment.

A stamped copy of the labeling is enclosed for your records.

The Alternate Formulas are acceptable and have been included in the files for this product.

-2-

Product Chemistry Review Section/ Registration Support Branch could not locate the product chemistry data required by Title 40 Code of Federal Regulations (CFR) Part 158 for this product. This chemistry data will have to be submitted or cited by MRID number at reregistration or when the Agency may require them.

Sincerely yours,

Cynthia Giles-Parker
Product Manager (22)
Fungicide-Herbicide Branch
Registration Division (H7505C)

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. This product must be applied out-of-doors to wood intended only for exterior use.

- **SURFACE CONDITIONS:** wood to be treated should be clean, dry and free of mildew.
- **WEATHER CONDITIONS:** DO NOT apply if rain is forecast within 12 hours. Temperatures should be 45° or above for 24 hours before and after application.

APPLICATION DIRECTIONS: STIR THOROUGHLY BEFORE & OCCASIONALLY DURING USE. DO NOT SHAKE.

- Apply by dipping, brush, long nap roller or spray. (Garden sprayers work well.) A fan spray pattern is desirable. Apply a heavy or wet-on-wet application* that DOES NOT RUN OR SAG. (*A wet-on-wet application is when the first application of material is still wet and a second coat is applied to help in completing penetration.)
- Wear protective clothing and face mask. Remove Real-Wood from skin with soap and water before it dries. If you wear eyeglasses, wash off IMMEDIATELY after use.
- RECOAT when the surface grays or lightens for continued protection or if deeper tone is desired.
- NOTE: Real-Wood may discolor masonry, metal or painted surfaces. Remove with paint thinner before dry. Protect plants and shrubs from spills or over-spray.
- DRYING TIME: normally 24-48 hours. Variable due to temperature and humidity conditions. When applied to lawn furniture, test for dryness before use.
- CLEAN-UP: use paint thinner or Zip-Kleen Brush Cleaner, then wash with soap and water. Close container after each use.
- COVERAGE PER GALLON: Roughsawed — 100-200 sq. ft.
Smooth lumber — 200-400 sq. ft.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: Causes eye and skin irritation. Harmful if swallowed, inhaled, or absorbed through skin. Do not get in eyes, on skin or on clothing. Do not breathe vapor or spray mist. Wear protective clothing & rubber gloves when handling this product or freshly-treated lumber. **FIRST AID: IF IN EYES:** flush eyes with plenty of water. Get medical attention. **IF SWALLOWED:** call a physician or Poison Control Center. Drink 1-2 glasses of water and induce vomiting by touching back of throat with finger. Do not induce vomiting or give anything by mouth to an unconscious person. For skin contact, wash thoroughly with soap and water. If inhaled, remove to fresh air. **ENVIRONMENTAL HAZARDS:** This product is toxic to fish. Do not apply directly to water. Do not contaminate water when disposing of equipment washwaters. **STORAGE & DISPOSAL:** Do not store or use inside home. Securely wrap original container in several layers of newspaper and discard in trash. Do not re-use can. Rinse thoroughly before discarding in trash. Keep away from food and feed.

LIMITED WARRANTY

Real-Wood

IS WARRANTED FOR 4 YEARS to not chip, crack, craze or peel and will prevent the growth of mildew, fungus and wood rot when applied and maintained according to the manufacturer's directions. Preventive maintenance requires that at the first sign of graying or weathering of the wood, another wet-on-wet application of Real-Wood is necessary.

This STAR BRONZE LIMITED WARRANTY covers only the replacement of material originally purchased. Replacement of material will be made at half the manufacturer's current suggested retail and can be redeemed only from the manufacturer.

This warranty gives you specific legal rights. You may also have other rights which vary from state to state.
