Mr. Bruce Dawson
CCL Industries, Inc.
c/o Air Guard Control, Inc.
1209 West Bailey
Sioux Falls, SD 57104

Dear Mr. Dawson:

Subject: CCL Wasp & Hornet Killer
EPA Registration No. 46813-20
Your Letters Dated April 25 and November 7, 1988

The labeling for the product cited above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, updating the ingredient statement and environmental precautions, is acceptable subject to the comments listed below. A stamped copy of the draft label is enclosed for your records.

1. Change the food handling area precautionary statements "Do not apply directly to food. In commercial . . . thoroughly washed after use" to read "Do not use in commercial food processing, preparation, serving or storage areas. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food."
2. Delete the phrase "General Classification."

The Confidential Statement of Formula submitted with your letters dated April 25 and November 7, 1988 are acceptable and have been placed into the file for this product.

Submit five (5) copies of the corrected finished printed label.

Sincerely yours,

Phil Hutton
Product Manager (17)
Insecticide-Rodenticide Branch
Registration Division (H7505C)

Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed or absorbed through skin. Avoid breathing vapours or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. If swallowed, do not induce vomiting. Call a physician immediately.

Do not apply directly to food. In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is under way. After space spraying in food processing plants, wash with potable water and all equipment, benches, shelving, etc., where exposed food will be handled. In the home, all food processing and utensils should be covered during treatment or thoroughly washed after use.

Remove pets, birds and cover fish aquariums before spraying.

Environmental Hazard

Non-Mosquito Adulticide

Do not apply directly to water or wetlands (swamps, bogs, marshes, and potholes). Cleaning of equipment or disposal of wastes must be done in a manner that avoids contamination of bodies of water or wetlands.

Physical Hazards

Flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

DIRECTIONS FOR USE

GENERAL CLASSIFICATION

It is a violation of Federal law to use this product in a manner inconsistent with its labelling.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.
Disposal: "Do not contaminate water, food, or feed by storage or disposal." "Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility." "Wrap container and put in trash collection."
