Dear Ms. Welbig:

Subject: Label Revision in Response to DEET LIP
CCL Personal Insect Repellent II
EPA Registration Number 46813-22
Submission dated March 3, 1992

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Submit one (1) copy of the final printed label prior to releasing the product for shipment.

1. Delete the phrase "GENERAL CLASSIFICATION" from the product label.
2. Correct the label so that the following phrase appears in bold print at the beginning of the DIRECTIONS FOR USE section:
READ ALL DIRECTIONS BEFORE USING THIS PRODUCT.
3. Delete the phrase "apply liberally" which appears twice in the paragraph which begins "To repel the insects listed...", as it is the intent of the DEET LIP that this insect repellent be used sparingly.
4. Although inclusion is preferred, the sentence "If you go to a doctor, take this repellent with you" may be deleted from the product label.

5. Give ACTIVE INGREDIENTS and INERT INGREDIENTS equal prominence and align them to the same margin.

Sincerely,

Rfm
Richard F. Mountfort
Product Manager (10)
Insecticide-Rodenticide Branch

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS
KEEP OUT OF REACH OF YOUNG CHILDREN AND INFANTS
CAUTION**

Instruct older children in the proper use of this product. Do not spray on face, lips or into eyes. In case of contact with eyes, flush with water.

PHYSICAL HAZARDS

Extremely flammable. Contents under pressure. Keep away from heat, sparks and open flame. Do not puncture or incinerate container. Exposure to temperatures above 130°F may cause bursting.

**DIRECTIONS FOR USE
GENERAL CLASSIFICATION**

It is a violation of Federal law to use this product in a manner inconsistent with its labelling. Read all directions before using this product. Do not spray in enclosed areas. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to hands of young children. Do not spray directly on face. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause skin reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your poison control centre. If you go to a doctor, take this repellent with you.

X BOLD PRINT

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat or open flame.

Disposal: "Do not contaminate water, food, or feed by storage or disposal." "Don't puncture or incinerate." "Wrap container and put in trash collection."

To repel the insects listed on the Front Panel, first remove protective cap. Hold can at least 12 inches away, point valve in desired direction and press button to spray. Apply liberally to all exposed skin areas. To apply to face, spray on hands and rub on. Repeat as needed. For ticks and chiggers, also apply liberally to shoe tops, socks and around openings in clothing.

X

Avoid contact with plastics, such as eyeglass frames, and acetate rayon.
