Hartford, WI 53027

Subject: Amended Reregistration Label  
Product Name: Personal Insect Repellent II  
EPA Registration Number: 46813-22  
EPA Decision Number: 414007

Dear Ms. Killoren:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the MGK-264 RED, and has concluded that your submission is acceptable.

NOTE: This product is **not** being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 23 February, 2012

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Clayton Myers at 703-347-8874 or myers.clayton@epa.gov.

Sincerely,

Richard J. Gebken  
Product Manager  
Insecticide Branch  
Registration Division (7505P)

## DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

### Read and Follow All Directions and Precautions on This Product Label

- Apply this product only to exposed skin and/or clothing as directed on this label.
- **DO NOT** spray in enclosed areas. Avoid breathing a spray product, and **DO NOT** use it near food.
- Repellents should be applied only to exposed skin and/or clothing (as directed on this product label). **DO NOT** use under clothing.
- Never use repellents over cuts, wounds or irritated skin. Use just enough of this product to cover exposed skin and/or clothing. Avoid over-exposure of this product. If biting insects do not respond to a thin film of repellent, apply a bit more.
- **DO NOT** apply near eyes and mouth, and apply sparingly around ears. When using sprays, do not spray directly into face; spray on hands first and then apply to face.
- **DO NOT** allow children to handle this product, and **DO NOT** apply to children's hands. When using on children, apply product to your own hands and then put it on the child. **DO NOT** use on infants.
- **DO NOT** apply more than 3 times per day to children ages twelve (12) and under.
- After returning indoors, wash treated skin with soap and water or bathe.
- Wash treated clothing before wearing it again.

- **DO NOT** apply on or near acetate, rayon, Spandex or other synthetic fabrics (other than nylon), furniture, plastics (such as eyeglasses and watch crystals), leather and painted or varnished surfaces (including automobiles).
- **Use of this product may cause skin reactions in rare cases. If you suspect a reaction to this product, discontinue use, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent product with you.**

#### To Repel the Listed Insects

[First, remove protective cap.] Hold can at least 12 inches away, point valve in desired direction and press button to spray. Apply to clothing and all exposed skin areas. Repeat as needed. For ticks and chiggers, apply to shoe tops, socks and around openings in clothing.

#### Storage and Disposal

**Do not contaminate water, food or feed by storage and disposal.**

**Pesticide Storage: Store this product in a cool, dry (preferably locked) area away from heat or open flame. Pesticide Disposal: Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility. Container Disposal: Do not puncture or incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal instructions [or toll free number or website, which meets the criteria in paragraph II.E. of PR Notice 2007-1]**

### PRECAUTIONARY STATEMENTS

#### Hazards to Humans and Domestic Animals

#### CAUTION

Causes substantial but temporary eye injury. Harmful if swallowed. Avoid contact with eyes. Wash hands thoroughly with soap and water after handling and before eating, drinking, chewing gum, using tobacco or using the toilet. Remove and wash contaminated clothing before reuse.
