NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA section 3(c)(7)(A) provided that you:

1. Submit/cite all data required for registration/reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the labeling changes listed below before you release the product for shipment:
 - a. Add the phrase "EPA Registration No. 46813-40."
 - b. Delete quotation marks within the Storage and Disposal block.
3. The prestorage analyses submitted August 25, 1987, are acceptable and have been made a part of the record for this product.
4. The information on the Huber Fragrance submitted April 28, 1988 is acceptable; however, please provide the percents of each component. These may be expressed into groups such as < 1.0 percent, 1 to 5 percent, 5 to 10 percent, 10 to 20 percent, and over 20 percent.
5. The alternate formula dated June 15, 1988, is acceptable and has been included in the record for this product.
