Dear Mr. Bruce Dawson:

Subject: CCL Flea & Tick Shampoo Mousse
EPA Registration Number 46813-44
Letter dated May 6, 1991

The labeling submitted in connection with registration for the product cited above under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comment listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

Insert the percentage for total inert ingredients on the product label so that the complete percentage declaration for the components of the product is included in the ingredient statement.

Sincerely,

Richard F. Mountfort
Product Manager (10)

PRECAUTIONARY STATEMENTS

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid breathing vapors. Do not spray in eyes, face or on genitalia. Do not use on nursing puppies or kittens under 3 months of age.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not incinerate container. Exposure to temperatures above 130°F may cause bursting.

Statement of Practical Treatment

- IF SWALLOWED: Call a physician
- IF IN EYES: Flush with plenty of water. Get medical attention if irritation persists.
- IF ON SKIN: Wash with soap and warm water.

STORAGE AND DISPOSAL

Storage: Store in a cool area away from heat and open flame.

Disposal: Do not reuse empty container. Wrap original container in several layers of newspaper and discard in trash. "Do not puncture or incinerate."

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling

Shake can well before using. Wet pet with warm water. Apply shampoo liberally beginning at the head and working until entire body is covered. Do not spray in eyes, face or on genitalia. Pay special attention to neck and hindquarters. Allow lather to remain on the pet for 3-5 minutes, then rinse thoroughly with water. Towel dry and brush coat. Repeat weekly if necessary.
