Subject: Amended Reregistration Label
Product Name: Quick Breaking Insect Repellent Foam
EPA Registration Number: 46813-46
EPA Decision Number: 414009

Dear Ms. Killoren:

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all of the information submitted with your application to support the reregistration of the above referenced product in connection with the MGK-264 RED, and has concluded that your submission is acceptable.

NOTE: This product is **not** being reregistered under sections 3(c)5 and 4(g) of FIFRA at this time.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on non-refillable containers. The code may appear either on the label or durably marked on the container itself, and can be added by non-notification per PRN 98-10.

Please note that the record for this product currently contains the Confidential Statements of Formulation (CSFs) listed below. Any previously dated CSFs are superseded.

- Basic CSF, dated 23 February, 2012

A copy of your label stamped "Accepted" is enclosed along with copies of the acute toxicity and product chemistry reviews completed for the subject product. Products shipped after 12 months from the date of this amendment or the next printing of the label whichever occurs first, must bear the new revised label. Your release for shipment of the product bearing the amended label constitutes acceptance of these conditions. If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e).

If you have any questions about this letter, please contact Clayton Myers at 703-347-8874 or myers.clayton@epa.gov.

Sincerely,

 Richard J. Gebken
Product Manager
Insecticide Branch
Registration Division (7505P)

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labelling.

READ AND FOLLOW ALL DIRECTIONS AND PRECAUTIONS ON THIS PRODUCT LABEL.

Do not spray in enclosed areas. Do not apply over cuts, wounds or irritated skin. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. Do not allow children to handle this product. When using on children, apply to your own hands and then put it on the child.

If used on face, spray on hands first and then apply sparingly, and avoid eyes. Do not spray directly onto face. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product. Do not use under clothing. After returning indoors, wash treated skin with soap and water. Wash treated clothing before wearing it again.

Shake can well. Spray foam into palms of your hands and spread evenly on exposed areas of skin such as legs, arms, body, neck and face. Avoid contact with plastic and fabrics such as acetate, rayon and dyneel.

Storage and Disposal
Storage: Store in a cool area away from heat or open flame. **Disposal:** Do not puncture or incinerate! If empty: Place in trash or offer for recycling if available. If partly filled: Call your local solid waste agency for disposal guidance.
