Re: Transmittal Document – NOTIFICATION
 Application to Amend Registration for ProSpray wipes 46851-10

Attn: Adam Heyward

Dear Mr. Heyward,

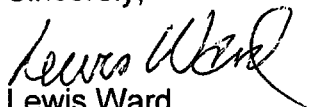

Please find enclosed Notification to amend the label for Certol International, LLC's product ProSpray Wipes, EPA Reg. No. 46851-10. The label changes add an alternate brand name (ABC Wipes) distributed by North America Spa Partners. Certain approved use sites have been omitted with their corresponding instructions (use in medical/dental/dental facilities and nursing homes) and omitted the approved claim for HIV. Such changes are permitted to be made by "Notification" pursuant to PR Notice 98-10.

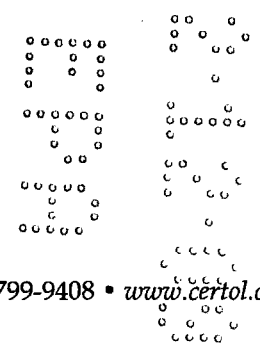

The following documents are enclosed:

1. A completed Application for Pesticide Registration, EPA Form 8570-1
2. Five copies of the proposed FIFRA product label for this product. The proposed label changes are highlighted in yellow on a copy of the most recently stamped edition of the authorized label accepted by EPA March 29, 2006.

I look forward to your rapid review of the enclosed materials. If there are any questions regarding these materials please contact me at 303 799 9401 or email lward@qwest.net.

Sincerely,

 Lewis Ward
 RA/QA Manager

**ABISYNTHETIC PHENOL SOLUTION IMPREGATED
IN A UNIFORM RELEASE TOWELETT**

ABIS Wipes® are intended for use on a wide variety of surfaces including walls, ceilings, floors, windows, doors, trim, and light fixtures. Use on laminate surfaces and equipment surfaces such as steel, aluminum, glass, tile, cork, brass, chrome, copper, mahogany, plywood, stone, and other materials. Do not use on porous, greasy, or highly textured surfaces. Do not use on electrical equipment or other sensitive electronic surfaces.

Preparation of Dispenser and Wipes and head to expose the entire opening. Do Not Remove High Seal Tab. Open exposed edge of head and remove High Seal Tab. Seal tab to prevent evaporation by returning the top of the head to its original position and press down firmly.
