PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS & DOMESTIC ANIMALS

CAUTION

Harmful if swallowed or absorbed through skin. Avoid breathing fumes or spray mist. Avoid contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. If swallowed, do not induce vomiting. Call a physician immediately.

Do not apply directly to food. Commercial food handling facilities, dinner or empty eat, food and food processing equipment during application. Do not apply while food processing is under way. After spray spray in food processing plants, wash all equipment with possible water, benches, shelves, etc., where exposed food will be handled. In the home, all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use.

Remove pets and birds, and cover fish aquariums before spraying.

Use 12' or more from exposed foods. Do not use close to ventilation surfaces. Do not use in nurseries or rooms where infants, II or aged persons are confined.

PHYSICAL OR CHEMICAL HAZARDS

Dangerous under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperature above 130° F may cause bursting. Never throw container into fire or incinerator.

**Metered
Refill**

30 DAY SUPPLY

**KILLS FLIES, MOSQUITOS, GNATS AND
OTHER FLYING MOTHS.**

ACTIVE INGREDIENTS:

| | |
|-------------------------------|----------------|
| Pyrethrins | 0.90% |
| Piperonyl Butoxide, Technical | 8.00% |
| Petroleum Distillate | 10.10% |
| INERT INGREDIENTS | 80.00% |
| | 100.00% |

Equivalent to 7.25% Pyrethrins (2-ethoxypropyl ether and 1,200 related compounds)

KEEP OUT OF REACH OF CHILDREN
CAUTION

See side panel for additional precautions.

Manufactured by
CHEM TECH, LTD.
Des Moines, Iowa 50321

Net Wt. 8.00 Oz. Av.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection. Store in cool, dry, secure area.

For use in non-residential food areas, such as commercial or institutional kitchens, dining areas and pantries, supermarkets, food plants, food warehouses, bottling plants, hospitals, nursing homes, day care centers, hotels, motels, and egg & milk handling areas of dairy and chicken houses.

Chem Tech Metered Refill is engineered for highly effective use in automatic aerosol dispensers, is many times stronger than average insecticides, and of special design for long lasting operations. The dispenser automatically activates every fifteen minutes, releasing tiny particles which remain suspended in the air, killing flying insects. Within 24 hours the area is relatively free of said flying insects and with continued use reduces annoyance from them. One dispenser is designed to protect a room up to 30' x 30' x 10'.

OPERATION: Remove protective cap from top of can and insert can in dispenser. Suspend dispenser 7' from floor and at a point where wind flow will carry the particles throughout the room.
