c. Revise the statement beginning with "Do not use in edible product areas..." and place these precautions under the Directions for Use :

Do not use in food/feed areas of food/feed handling establishments, restaurants or other areas where food/feed is commercially prepared or processed. Do not use in serving areas while food is exposed or facility is in operation. Serving areas are areas where prepared foods are served such as dining rooms but excluding areas where foods may be prepared or held.

In the home, cover all food handling surfaces and cover or remove all food and cooking utensils, or wash thoroughly after treatment.

- d. Delete the w/w from the ingredient statement.
- e. Under the Hazards to Human and Domestic Animals, add the following statements:

In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

- f. Use in food handling establishments can imply use in the United States Department of Agriculture (USDA) Meat and Poultry Plants. Therefore, either add the statement "Not for Use in USDA Meat and Poultry Plants" or submit an application to USDA requesting these areas. If granted you can then indicate on the label that the product can be used in these areas.
- g. Under precautionary statements or under special note, add the following precautions:

Do not apply this product in hospital patient rooms, while occupied or in any rooms while occupied by the elderly or infirm.

Do not apply to classrooms when in use.

Do not apply to institutions (including libraries, sports facilities, etc.) in the immediate area when occupants are present.

h. Delete "End" from the product name. Terms or phrases which imply total eradication or elimination of pests are unacceptable.

In the future when submitting proposed labeling, please use type size that can be easily read. The proposed labeling submitted was very difficult to read.
