NO DOCUMENT AVAILABLE

Insect Powder is an easy to use powder which has no offensive odor, will not stain or dry up and unlike many liquids is non-flammable. It never quits working as long as it remains dry.

This package should be enough for a typical nine room home. More is needed for use in basements or garages. Do not waste powder by applying to baseboards.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if swallowed. May cause eye irritation. Avoid eye contact. Wash thoroughly after handling.

STATEMENT OF PRACTICAL TREATMENT

Immediately contact Physician or Poison Control Center if swallowed. If eye contact occurs, flush eyes with plenty of water. Get medical attention if irritation persists.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in any manner inconsistent with its labeling.

Shake well before using. Apply only in areas not normally accessible to children or pets. Apply by shaking or with a disposable spoon.

Roaches like dark damp places, therefore apply freely to areas under and behind all major home appliances --- ranges, dishwashers, refrigerators, clothes washers and clothes dryers. Also for use under and behind gas hot water heaters and under sinks.

Apply one half teaspoon in the corners and along the rear edge of all shelves (on top of shelf paper) in kitchens, baths and in closets. Remove all drawers in kitchens, baths and closets and apply freely in all drawer wells.

Reapply as necessary. Any powder visible after application must be brushed into cracks and crevices or removed. Apply only in areas inaccessible to children and pets. Do not use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed and foodstuffs.

STORAGE AND DISPOSAL

Do not reuse container. Wrap container and put into trash collection.
