OX LINE LUMBER-CARE CLEAR WOOD PRESERVATIVE

OX LINE LUMBER-CARE Clear Wood Preservative is a chemical treatment for bare or previously stained exterior woods that have been weathered. It is an effective fungicide and water repellent that protects against wood rot, mildew, warping and swelling. LUMBER-CARE will not chip, peel or blister.

WHERE TO USE: Apply on above-ground untreated wood surfaces such as lumber, fences, trellises, millwork, shingles, siding, doors, frames, sash, decks and outdoor furniture.

Do not apply over wood that is painted or varnished.

DIRECTIONS FOR USE: It is a violation of Federal Law to use this product in a manner inconsistent with its labeling. Surface must be clean and free of dirt, oil, grease and mildew. If dirt has caused discolored areas, scrub off with detergent and water. If mildew is present, consult dealer for removing mildew to restore natural tone of wood.

APPLICATION: MIX WELL DO NOT THIN. Apply liberally by brush, roller, spray or by dipping wood. The more LUMBER-CARE the wood absorbs, the deeper and more lasting the protection will be. For extra protection apply a second coat. Do not apply in hot direct sunlight or in temperatures below 40°F. Before applying paint on surface treated with LUMBER-CARE it must be allowed to weather for 6-9 months.

COVERAGE: Approximately 100-300 sq. ft. per gallon, depending upon method of application and the porosity of wood.

CLEAN-UP: Clean equipment promptly with mineral spirits.

NOTE: For wood surfaces where color is desired, use OX-LINE Stain & Wood Preservative which is available in both semi-transparent and solid color types.

PRECAUTIONARY STATEMENTS HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: CONTAINS PETROLEUM DISTILLATES. Use only with adequate ventilation. Avoid prolonged breathing of vapor or spray mist. Causes substantial but temporary eye irritation. Do not get in eyes or on clothing. Wear goggles. Harmful if swallowed. Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash before re-use.

STATEMENT OF PRACTICAL TREATMENT: IF IN EYES: Flush with plenty of water. Get medical attention.

IF SWALLOWED: Drink promptly a large quantity of milk, egg whites, gelatin solution or, if these are not available, drink large quantities of water. Avoid alcohol.

IF ON SKIN: Wash with plenty of soap and water. Get medical attention.

ENVIRONMENTAL HAZARDS: Do not apply directly to water. This product is toxic to fish. Do not contaminate water by cleaning of equipment or disposal of wastes. Apply this product only as specified on this label.
