BioZorb

HAZARDS TO HUMANS & DOMESTIC ANIMALS

Warning: Harmful if swallowed, inhaled, or absorbed through the skin. Avoid breathing dust. Avoid contact with the skin, eyes or clothing. Corrosive. May cause eye damage or severe skin irritation.

First Aid:

External: (Skin) Brush off excess and flush skin with cold water.

(Eyes) Flush with cold water at least 15 minutes. Get medical attention.

Internal: If swallowed, feed bread soaked in milk followed by olive or cooking oil. Call a physician immediately.

Physical and Chemical Hazards

Oxidizing Agent: Use clean dry utensils. Contamination with moisture, organic matter, or other chemicals will result in liberation of chlorine gas. Remove to well ventilated area.

Dispose in Open Receptacle

Active Ingredients:

*Calcium Hypochlorite 6.5%

Inert Ingredients: 93.5%

*Available Chlorine at least 6.0%

See first aid and other precautions on side panel.

USI ULSTER SCIENTIFIC, INC.

Highland, New York 12528

NET WT. 120 gms

Storage and Disposal

Store in a cool, dry well ventilated area away from direct sunlight or heat. Do not get in eyes, on skin, or clothing. Avoid breathing dust. Do not take internally. Discard empty container in trash collection.

Directions for Use

It is a violation of Federal Law to use this product inconsistent with its labeling.

BioZorb is to be used only to absorb and deodorize spills of blood, cerebrospinal fluid, and urine on the floors and laboratory benches of hospitals, laboratories and other medical facilities. Wear disposable gloves. Apply BioZorb liberally over the spill, including broken glass if present. Allow sufficient time for complete absorption and conversion of the spill to a thick paste or putty. Remove the absorbed material, including broken glass, with a scoop and scraper and dispose of scoop, scraper, glass, and absorbed material in an appropriate container.
