NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

[Faded text block containing detailed regulatory information and instructions regarding labeling and registration requirements.]

A stamped copy of the label is enclosed for your records.

EPA Est. No. 47258-TX-01

NET CONTENTS

DIRECTIONS FOR USE:

IT IS A VIOLATION OF FEDERAL LAW TO APPLY THIS PRODUCT IN A MANNER INCONSISTENT WITH THE LABELING.

HOLD CONTAINER UPRIGHT. SHAKE WELL BEFORE USE. USE GLOVES/MITTENS WHEN SPRAYING.

This product will kill fleas up to 14 days on dogs and will kill ticks for 4 days on dogs and 9 days on cats. Spray animal from a distance of 8-12 inches. Start at the tail, moving the dispenser rapidly and methodically until the animal's entire body is covered, including the legs and body. Fluff the hair as you spray so the spray will reach the skin. The spray should wet the ticks thoroughly in face, eyes or on genitalia. Repeat as needed.

For cats, apply at the rate of 1 second per pound of weight.

For dogs, apply at the rate of 2 seconds per pound of weight for thin or short-haired dogs and up to 3 seconds per pound of body weight for heavy or long-haired dogs.

STORAGE AND DISPOSAL

STORAGE: Store in a cool dry area away from heat and flame.

DISPOSAL: Securely wrap original container in newspaper and discard in trash.

DO NOT USE THIS PRODUCT IN OR ON WATER OR EQUIPMENT.
