NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

Submit and/or cite all data required for registration/re-registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data.

Make the labeling changes listed below before you release the product for shipment:

1. Add the phrase, "EPA Registration No. 47319-2."
2. Delete "the seedlings of lettuce ... from attacking" under "GENERAL INFORMATION" for the seedling treatment in agricultural situations.

Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(c). Your release for shipment of the product constitutes acceptance of these conditions. Cont.

BEST AVAILABLE COPY

A stamped copy of the label is enclosed for your records.

This application has been approved based on the provisions of PR Notice 84-4 pertaining to data compensation. A final rule on data compensation has become effective as of April 25, 1985, and future applications must be submitted under these new procedures. Information on new procedures and forms will be set forth in a PR Notice which will be mailed to all registrants and applicants.

USE DIRECTIONS FOR

DIRECTI
It is a violation of Federal Law
consistent with its labeling

GENERAL

Sevana Bird Repellent is composed of ground garlic (allium sativum). It is used to repel horned linnets and starlings from attacking tomatoes, cabbages, radishes. It may be applied only at the time the birds appear. It repels the same birds from fruits, grains and nuts.

APPLICATI

1. Grapes and other fruits: Apply 5 lbs/Ac by ground or aerial application. Do not apply if color or show signs of maturity. Make successive applications at 7 day intervals and up to 10 days before harvest.

2. Grains and Nuts: Apply 5 lbs/Ac whenever needed as a preventive measure.

The use of this material does not constitute an element of risk to human health. We do not make any warranty express or implied when this product is not used in accordance with the directions stated on this label.

ACCEPTED
with COMPLIANCE
