Subject: TB-A32 Disinfectant Bowl Cleaner
EPA Registration No. 47371-87
Application Date: December 4, 2003
EPA Received Date: December 12, 2003

Dear Mr. Sloan:

The following amendment, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the conditions listed below:

Proposed Amendment

- Revised labeling in response to Agency letter dated October 10, 2003

Conditions

1. Revise the Pesticide Disposal Statement by changing the phrase "...excess pesticide, spray or mixture of rinsate..." to read "...excess pesticide, spray mixture or rinsate..."
2. Add the following statement to the label:

"Effective against Staphylococcus aureus, Salmonella choleraesuis, and Pseudomonas aeruginosa when tested in accordance with the current AOAC Use-Dilution Test Method."

CONCURRENCES							
SYMBOL	757UC						
SURNAME	Sloan						
DATE	1/2004						

3. Since the statement pertaining to use in "food processing plants operating under the USDA poultry, meat, rabbit, shell egg grading and egg products inspection program" has been accepted by the Agency in a letter dated April 19, 1985, the Agency has no objection to the USDA statement being on the subject product labeling.

General Comments

A stamped copy of the labeling accepted with conditions is enclosed. Submit three(3) copies of your final printed labeling before distributing or selling the product bearing the revised labeling.

Should you have any questions or comments concerning this letter, please contact me at 703-308-6422.

Sincerely,

Adam Heyward
Product Manager 34
Regulatory Management Branch II
Antimicrobials Division (7510 C)

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER CORROSIVE: Causes irreversible eye damage or skin burns. May be fatal if swallowed. Harmful if absorbed through skin or inhaled. Do not get in eyes, on skin or on clothing. Avoid breathing spray mist. Wear protective eyewear (goggles, safety glasses or face shield, protective clothing and protective gloves (rubber or chemical resistant). Wash thoroughly with soap and water after handling. Remove contaminated clothing and wash clothing before reuse.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15 - 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15 - 20 minutes.

IF SWALLOWED: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by the poison control center or doctor. Do not give anything by mouth to an unconscious person.

IF INHALED: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferable by mouth-to-mouth if possible.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling a Poison Control Center or doctor or going for treatment.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage.

(For 5 gallon & larger only)

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

ACCEPTED
with COMMENTS
EPA Letter Dated:

JAN 20 2004

Under the Federal Insecticide, Fungicide, and Rodenticide Act as amended, for the pesticide, registered under EPA Reg. No.

47371-87

Disinfects, cleans away hard stains and rust. This bowl cleaner is an effective cleaner and disinfectant against odor-causing bacteria.

For use in schools and industry.

TO OPEN CHILD-RESISTANT CAP: Hold cap firmly with one hand. With other hand, use a fingernail to apply pressure to back edge of spout. Push spout back and lift to open position.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

TO CLEAN AND DISINFECT: Remove heavy soil prior to cleaning and disinfection. Flush toilet bowls or urinal. [Apply] [Direct] 2 fluid ounces [to] [onto] exposed surfaces of the bowl including under the rim with a cloth, sponge or sprayer. Brush or swab thoroughly, then allow to stand for at least 10 minutes. Flush. For badly stained bowls, repeat above treatment using 2 to 4 fluid ounces of this product.

NOTE: Do not use on sinks, bathtubs, or any surface except toilets or urinals. Use of this material on other than vitreous ware is done at user's own risk.

The cationic detergent system of this product inhibits the acid corrosion of metal parts found around toilet bowls and urinals.

(If container size is 1 gallon or less, the following storage and disposal statements will be used:)

STORAGE AND DISPOSAL

Store in original container in areas inaccessible to children or persons unfamiliar with its use. Do not reuse empty container. Wrap and discard in trash or recycle.

(If container size is greater than gallon, the following storage and disposal statements will be used:)

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

Pesticide Storage

Store in original container in areas inaccessible to children or persons unfamiliar with its use. Do not store on side. Avoid creasing or impacting of side walls.

Pesticide Disposal

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray or mixture of rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the Hazardous Waste representative at the nearest EPA Regional Office for guidance.

Container Disposal

(Plastic containers): Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or incineration, or, if allowed by state and local authorities by burning. If burned, stay out of way of smoke.
