CLEANER & DEODORIZER

Regular use keeps toilet bowls sparkling white. Excellent for brightening colored toilet bowls. Harmless to plumbing and septic tanks.

Penetrates and dissolves soap scum, ground in dirt and grime, mineral deposits, and hard water stains. Cleans and shines without abrasive scouring action.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

BATHROOM/KITCHEN: Great for cleaning and deodorizing all tile, stainless steel sinks, fiberglass shower walls/doors, basins, ceramic, quarry tile, tubs, grout, chrome fixtures, urinals and toilet bowls.

For shower stalls, starting at the bottom and working toward the top, simply apply foam on the surface and spread with brush, sponge or cloth. Let stand for 10 minutes. Scrub to loosen soils, stubborn soap scum, mineral deposits, and other accumulations, and then rinse with water.

Leaves everything bright and clean. Kills common odor-causing germs. Odors disappear instantly. Use full strength where odors are a problem.

NOTE: Some older tubs or sinks may be etched or discolored by use of this product. Test on small hidden area first. Do not use on decorative brass fixtures, polished aluminum, natural or synthetic marble. Do not place container on formica.

TOILET BOWLS: Raise toilet seat. Direct the thick liquid formula inside bowl, including under the rim, on the sides, and into water. Wet thoroughly, allow to remain 10 minutes. Flush. Rinse bowl brush in fresh water after use.

TO REMOVE STUBBORN STAINS: For hard water stains, follow directions above. Then apply more product directly to stained areas. Let stand at least 15 minutes, brush and flush. Repeat if necessary.

MILDEWSTATIC PERFORMANCE: Will effectively inhibit the growth of mold and mildew and the odors caused by them when applied to hard, non-porous surfaces (as indicated above). Allow to dry on surface and repeat weekly or when mildew growth returns.

Before use of this compound, food products and packaging material must be removed from the room or carefully protected.
