NOV 19 2003

Subject: Formulation RTU-6075 (LA)
EPA Registration No. 47371-157
Amendment Date: August 20, 2003
EPA Receipt Date: August 22, 2003

Dear Mr. Sloan,

The following amendment submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act (FIFRA), as amended, is acceptable with the following conditions listed below.

Proposed Amendment

- Update as per PR Notice 2001-1 and PR Notice 83-3.

Conditions

Revise the label as follows:

1. Based on other similar product in the marketplace, the statements regarding the hazards posed by the product to humans and domestic animals are incomplete. Such statements appear under the section heading "Precautionary Statements." Revise the Precautionary Statements by replacing the existing language with the following language:

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS [emphasis added]**

CAUTION. Causes moderate eye irritation. Avoid contact with eyes, skin, or clothing. Wear protective eyewear, protective clothing, and rubber gloves. Harmful if absorbed through skin. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Remove contaminated clothing before reuse.

If you do not agree with this precautionary language, please provide or cite toxicology data to support language that you believe should appear on the label.

CONCURRENCES

SYMBOL	N 7510C						
SURNAME	J. Jones						
DATE	11/19/03						

italics to the do-not-use statement:

Do not use on utensils, glassware, dishes and *appliance interior surfaces* as a disinfectant.

4. Revise the "Storage and Disposal" section for container sizes one gallon or less, by adding the following words listed in italics:

Do not reuse empty container. *Wrap container and* discard in trash or recycle.

5. Revise the language regarding the disposal of metal containers under the "Container Disposal" section for container sizes greater than one gallon to include the words in italics:

Triple rinse (or equivalent). Then offer for recycling or reconditioning, or *puncture and* dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.

6. The last accepted label provided instructions for the disposal of fiber drums with liners. If the product is packaged in fiber drums with liners, then please reinsert the language that was previously included on the label. That is:

(Fiber Drums with Liners): Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in a sanitary landfill or by incineration if allowed by State and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.

General Comments

A stamped copy of the labeling accepted with conditions is enclosed for your records. Please submit three (3) copies of your final printed label before distributing or selling the product bearing the revised labeling. Should you have any questions or comments concerning this letter, please contact Tracy Lantz at (703) 308-6415.

Sincerely,

Velma Noble

**PRECAUTIONARY STATEMENTS
HAZARDS TO HUMAN AND DOMESTIC ANIMALS
CAUTION.** Wash contaminated clothing before reuse.

FIRST AID

IF IN EYES: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after first 5 minutes, then continue rinsing eye.

IF ON SKIN OR CLOTHING: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

Call a poison control center or doctor for treatment advice. Have the product container or label with you when calling poison control center or doctor or going for treatment.

PHYSICAL AND CHEMICAL HAZARDS

Do not use or store near heat or open flame.

(For 5 gallon & larger only)

ENVIRONMENTAL HAZARDS

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans, or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

ACCEPTED
with COMMENTS
in EPA Letter Dated:

NOV 19 2003

Under the Federal Insecticide,
Fungicide, and Rodenticide Act as
amended, for the pesticide,
registered under EPA Reg. No. 47371-157

A hard surface disinfectant and space deodorant. It is effective against *Pseudomonas aeruginosa*, *Salmonella choleraesuis*, *Staphylococcus aureus*, and other odor-causing bacteria on environmental surfaces, such as toilet seats, telephones, wash basins, metal beds and springs, trash containers, carts, hampers, lockers, door knobs, and glazed tile.

As a space spray, it is effective in deodorizing locker rooms, meeting rooms, bathrooms and shower rooms, classrooms, closets, laundry chutes, and sick rooms.

For use in schools, colleges, office buildings, hospitals, nursing homes, hotels, motels, gas stations, in motor vehicles and in the household.

*Virucidal against Herpes Simplex type 2.

An effective mildewstat on precleaned hard, nonporous, environmental surfaces.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Aged or infirmed people should be removed from the room before spraying.

FOR DISINFECTING: Remove gross filth and heavy soil deposits. Preclean all surfaces prior to disinfection. Hold sprayer about 6 to 8 inches from surface and spray until surface is thoroughly wet for a contact time of 10 minutes. No dilution necessary. Let air dry or wipe dry.

Rinse all surfaces that come in contact with food such as countertops, appliances, tables and stovetops with potable water before reuse. Do not use on utensils, glassware and dishes as a disinfectant.

(Note to reviewer: Only One of the following two statements will be used:)

This product is not to be used as a terminal sterilant/high level disinfectant on any surface or instrument that (1) is introduced directly into the human body, either into or in contact with the bloodstream or normally sterile areas of the body, or (2) contacts intact mucous membranes but which does not ordinarily penetrate the blood barrier or otherwise enter normally sterile areas of the body. This product may be used to preclean or decontaminate critical or semi-critical medical devices prior to sterilization or high level disinfection.

or

This product is not for use on medical device surfaces.

FORMULATION RTU-6075 (LA)
EPA REG. NO. 47371-157
EPA DRAFT LABEL8-19-03

TO DEODORIZE: Use a space spray. Spray upwards toward center of the room. The number of trigger strokes will depend on the size of the room and severity of the odor problem. No dilution necessary.

MILDEWSTATIC INSTRUCTIONS: Will effectively inhibit the growth of mold and mildew plus the odors caused by them when applied to precleaned, hard, nonporous environmental surfaces such as floors and walls. Apply by spraying surfaces until thoroughly wet. Let air dry. Repeat application weekly or more often if growth reappears.

(Note to reviewer: If the container size is one gallon or less, the following storage and disposal statements will be used:)

STORAGE AND DISPOSAL

Store in original container in areas inaccessible to children. Do not store on side. Avoid creasing or impacting of side walls. Do not reuse empty container. Discard in trash or recycle.

(Note to reviewer: If container is greater than one gallon, the following storage and disposal statements will be used:)

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE

Store in original container in areas inaccessible to children. Do not store on side. Avoid creasing or impacting of side walls. Open dumping is prohibited.

PESTICIDE DISPOSAL

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL

(Plastic containers): Triple rinse (or equivalent). Then offer for recycling or reconditioning or puncture and dispose of in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke

(Metal Containers): Triple rinse (or equivalent), then offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by other procedures approved by state and local authorities.
