Subject: Registration Review Label Mitigation for Boric Acid  
Product Name: Victor Liquid Ant Killer  
EPA Registration Number: 47629-5  
Application Date: 10/8/2018  
Decision Number: 580312

Dear Mr. Mongiovi,

The Agency, in accordance with the Federal Insecticide, Fungicide and Rodenticide Act (FIFRA), as amended, has completed reviewing all the information submitted with your application to support the Registration Review of the above referenced product in connection with the Boric Acid Interim Decision, and has concluded that your submission is acceptable. The label referred to above, submitted in connection with registration under FIFRA, as amended, is acceptable.

Should you wish to add/retain a reference to the company's website on your label, then please be aware that the website becomes labeling under the Federal Insecticide Fungicide and Rodenticide Act and is subject to review by the Agency. If the website is false or misleading, the product would be misbranded and unlawful to sell or distribute under FIFRA section 12(a)(1)(E). 40 CFR 156.10(a)(5) list examples of statements EPA may consider false or misleading. In addition, regardless of whether a website is referenced on your product's label, claims made on the website may not substantially differ from those claims approved through the registration process. Therefore, should the Agency find or if it is brought to our attention that a website contains false or misleading statements or claims substantially differing from the EPA approved registration, the website will be referred to the EPA's Office of Enforcement and Compliance.

A stamped copy of your labeling is enclosed for your records. This labeling supersedes all previously accepted labeling. You must submit one copy of the final printed labeling before you release the product for shipment with the new labeling. In accordance with 40 CFR 152.130(c), you may distribute or sell this product under the previously approved labeling for 12 months from the date of this letter. After 12 months, you may only distribute or sell this product if it bears this new revised labeling or subsequently approved labeling. "To distribute or sell" is defined under FIFRA section 2(gg) and its implementing regulation at 40 CFR 152.3.

## Victor® Liquid Ant Killer

**[Optional Claims]**

- For the control of sugar feeding ants in homes
- Contains Borax
- Liquid Ant Killer
- No unpleasant odors
- Indoor/Outdoor
- Ready-To-Use

Active Ingredient:	By Wt.
Sodium Tetraborate Decahydrate.....	5.40%
Other Ingredients:.....	<u>94.60%</u>
TOTAL:	100.00%

Store In A Cool Place

**Keep Out of Reach of Children**

**CAUTION**

See other panel for additional Precautionary Statements

Net Contents: 8.0 fl. oz. (236.60 ml)

***MASTER LABEL - BACK PANEL (Page 1 of 2)***

Victor® Liquid Ant Killer is formulated with Sodium Tetraborate Decahydrate (Borax) in a special bait matrix which is highly attractive to ants. Foraging worker ants pick up the bait and take it back to the nest where they feed the entire colony- including the queen. Victor® Liquid Ant Killer not only works to kill the ants you see, but also the ones in the colony you don't see.

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For control of** sugar feeding ants including Pharaoh Ants, Argentine Ants, Ghost Ants, Cornfield Ants, Pavement Ants, Acrobat Ants, White-footed Ants, Little Black Ants, Odorous-House Ants, Crazy Ants, Big-Headed Ants, and other sweet-eating ants.

**For Use In and Around:** Homes, Apartments, and Mobile Homes.

**Do Not Use** in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed or foodstuffs. Do not apply to food or food packaging. Use of this product for the control of bed bugs is prohibited. Applications to carpets are prohibited. Apply only in areas inaccessible to children and pets.

**Indoors:** Place a few drops of Victor® Liquid Ant Killer along ant trails and in cracks and crevices where ants travel. Victor® Liquid Ant Killer can also be applied to small pieces of waxed paper, cardboard, or foil which can be placed where ants are seen, such as the edges of sinks, tubs, window sills, under food cabinets, in cracks and crevices along floors and baseboards, behind the refrigerator and stove, around water pipes and in corners.

**Outdoors:** Place a few drops of Victor® Liquid Ant Killer near ant trails, nests or where ants are seen entering the building. Victor® Liquid Ant Killer can also be applied to small pieces of waxed paper, cardboard, or foil and placed where ants are seen. Small drops can be applied directly to ant nests and in cracks and crevices along window and doorsills. Ants typically follow defined trails from the nest to food and water. Placing Victor® Liquid Ant Killer as close to these trails as possible will improve control.

**MASTER LABEL - BACK PANEL (Page 2 of 2)**

**STORAGE & DISPOSAL**

**PESTICIDE STORAGE:** Store only in original container in a cool, dry area inaccessible to children and pets. Protect from freezing and heat. Keep container tightly closed to prevent evaporation.

**PESTICIDE DISPOSAL AND CONTAINER HANDLING:** Non-refillable container. Do not reuse or refill this container. **If Empty:** Place in trash or offer for recycling if available. **If Partly Filled:** Call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.

**Note:** Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
