	Claim U.S. ENVIRONMENTAL PROTECTION AGENCY Office of Pesticide Programs Registration Division (H7505C) 401 "M" St., S.W. Washington, D.C. 20460	EPA Reg. Number: 47629-7	Date of Issuance: OCT 21 2003
		Term of Issuance: Conditional	
		Name of Pesticide Product: Victor Liquid Ant Killing System	
(under FIFRA, as amended)			
Name and Address of Registrant (include ZIP Code): Woodstream Corporation 69 North Locust Street Lititz, PA 17543-0327			
Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.			
On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act. Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others. This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you: 1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4. 2. Make the following label changes: a. Revise the EPA Registration Number to read, "EPA Reg. No. 47629-7".			
Signature of Approving Official: 		Date: OCT 21 2003

b. Delete Pharaoh Ant claims from your product labeling. The cited reference label does not support this pest. Uses for Pharaoh Ants currently require submission or citation of efficacy data.

c. Remove the claim "KILLS THE QUEEN" and "KILL THE ENTIRE COLONY" from the label. For future reference, claims stating "KILLS THE QUEEN" or "ENTIRE COLONY" must be substantiated by submitting efficacy data to the Agency.

Submit two copies of the final printed label for the record.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely yours,

Linda Arrington, Acting
Product Manager 10
Insecticide Branch
Registration Division 7505c

ACCEPTED
with COMMENTS
In EPA Letter Dated:
OCT 21 2003

**Under the Federal Insecticide,
Fungicide, and Rodenticide Act,
as amended, for the pesticide
registered under EPA Reg. No.
47629-7**

Active Ingredient:	By Wt.
Sodium Tetraborate Decahydrate.....	5.40%
Other Ingredients:.....	94.60%
TOTAL:	100.00%

Store In A Cool Place

Keep Out of Reach of Children

CAUTION

See other panel for additional Precautionary Statements

Net Contents: 1.5 fl. oz. (44.36 ml)

Victor® Liquid Ant Killing System is formulated with Sodium Tetraborate Decahydrate (Borax) in a special bait matrix which is highly attractive to ants. Foraging worker ants pick up the bait and take it back to the nest where they feed the entire colony- including the queen. Victor® Liquid Ant Killing System not only works to kill the ants you see, but also the ones in the colony you don't see. Use Victor® Liquid Ant Killing System directly from the bottle, or on the handy bait plates provided when surface protection is desired.

DIRECTIONS FOR USE:

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

For control of sugar feeding ants including Pharaoh Ants, Argentine Ants, Ghost Ants, Cornfield Ants, Pavement Ants, Acrobat Ants, White-footed Ants, Little Black Ants, Odorous-House Ants, Crazy Ants, Big-Headed Ants, and other sweet-eating ants.

For Use In and Around: Homes, Hospitals, Restaurants, Apartments, Grocery Stores, Institutional Buildings, Schools, Cafeterias, Storage Areas, Food Processing Plants, Mobile Homes, Boats, Military Bases, Theaters, Nursing Homes, and on Military, Commercial, and Cruise Ships.

Do Not Use in edible product areas of food handling establishments, restaurants or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed. Avoid contamination of feed or foodstuffs. Do not apply to food or food packaging. Apply only in areas inaccessible to children and pets.

Easy to use

1. Tear off handy bait plates provided on back of outer package.
2. Position bait plates in areas where ants are seen.
3. Place a pea-sized drop of Victor® Liquid Ant Killing System onto the center of each bait plate.
4. Replace bait on bait plates as needed until ants disappear.
5. When ants are no longer seen, remove bait plates, wrap in newspaper and discard.

Indoors: Victor® Liquid Ant Killing System can also be applied to small pieces of waxed paper, cardboard, or foil which can be placed where ants are seen, such as the edges of sinks, tubs, window sills, under food cabinets, in cracks and crevices along floors and baseboards, behind the refrigerator and stove, around water pipes and in corners.

Outdoors: Place a few drops of Victor® Liquid Ant Killing System near ant trails, nests or where ants are seen entering the building. Victor® Liquid Ant Killing System can also be applied to small pieces of waxed paper, cardboard, or foil and placed where ants are seen. Small drops can be applied directly to ant nests and in cracks and crevices along window and doorsills. Ants typically follow defined trails from the nest to food and water. Placing Victor® Liquid Ant Killing System as close to these trails as possible will improve control.

STORAGE & DISPOSAL:

STORAGE: Store only in original container in a cool, dry area inaccessible to children and pets. Protect from freezing and heat. Keep container tightly closed to prevent evaporation.

DISPOSAL:

If Empty: Do not reuse this container. Place in trash or offer for recycling if available.
If Partly Filled: Call your local solid waste agency or (800)-CLEANUP for disposal instructions. Never place unused product down any indoor or outdoor drain.
