9/23/04

Term of Issuance:

Conditional

Name of Pesticide Product:

German Cockroach Pheromone Lure

NOTICE OF PESTICIDE:

Registration  
 Reregistration

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Woodstream Corporation  
69 North Locust Street  
Lititz, PA 17543-0327

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Biopesticides and Pollution Prevention Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA Sec. 3(c)(7)(A) provided you:

1. Submit and/or cite all data required for registration/ reregistration of your product under FIFRA section 3(c)(5) when the Agency requires all registrants of similar products to submit such data.
2. Make the following label changes listed below before you release the product for shipment:
  - a. Add the EPA Registration Number 47629-8 to your label
3. Submit five(5) copies of the revised final printed labeling before you release the product for shipment. Refer to the A-79 enclosure for a further description of final printed labeling.
4. Submit 6 months prior to the April 1, 2005 expiration date of this conditional registration notice adequate 5 Batch Analysis data.

Signature of Approving Official:

(See second page for signature)

Date:

9/23/04

Page 2

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

This registration is registered under FIFRA section 3(c)(7)(C) because of the outstanding 5 Batch Analysis data.

A stamped copy of the label is enclosed for your records.

Sincerely,

Janet L. Andersen, Ph.D., Director  
Biopesticides and Pollution  
Prevention Division (7511C)

**PRECAUTIONARY STATEMENTS:**

Hazards to Humans and Domestic Animals

**CAUTION:** Avoid contact with skin, eyes or clothing. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

**GENERAL INFORMATION:**

This lure is designed to increase [improve] [enhance] the attractiveness [effectiveness] of cockroach monitoring [glue-boards] [and] devices. This lure can [also] be used with EPA approved cockroach baits in [generic] baiting devices [stations] to increase [improve] [enhance] the attractiveness of the bait to German cockroaches. This lure is designed to increase [improve] [enhance] [encourage] the interaction of German cockroaches with [insect] glue-boards, monitoring devices and EPA approved cockroach baits.

**DIRECTIONS FOR USE:**

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

**For use with insect glue-boards:**

- 1) Open lure package and remove lure. [Open lure package and separate 1 lure from perforated sheet]. *for 20 lure pack*
- 2) **Note:** Lure has 2 sides (one side gloss, the other side non-gloss)
- 3) Place lure on center of glue-board-**gloss side down** and press firmly into glue surface.
- 4) [Reseal lure package.] *for 20 lure pack*
- 5) Replace lure every 21 days.
- 6) Discard used lure according to disposal instructions on label.
- 7) Apply new lure following instructions 1-3 [1-4] *for 20 lure pack*.

**For use with insect monitoring devices/stations containing glue-boards:**

- 1) Open lure package and remove lure. [Open lure package and separate 1 lure from perforated sheet]. *for 20 lure pack*
- 2) **Note:** Lure has 2 sides (one side gloss, the other side non-gloss)
- 3) Most monitoring devices have holes or perforations to allow for release of attractants and pheromones. Open device [station] and place [position] lure on device surface over hole or perforation with- **non-gloss side exposed to air** to allow for optimal release of pheromone.
- 4) Place glue-board on top of lure covering the- **gloss side**.
- 5) Close device [station].
- 6) [Reseal lure package.] *for 20 lure pack*
- 7) Replace lure every 21 days.
- 8) Discard used lure according to disposal instructions on label.
- 9) Apply new lure following instructions 1-5 [1-6] *for 20 lure pack*.

**For use with cockroach baits in baiting devices/stations:**

- 1) Open lure package and remove lure. [Open lure package and separate 1 lure from perforated sheet]. *for 20 lure pack*
- 2) **Note:** Lure has 2 sides (one side gloss, the other side non-gloss)
- 3) Apply 0.5 grams (pea-sized drop) of bait to center of **non-gloss side**.
- 4) Open device [station] and carefully place [position] lure on flat inside surface of baiting device [station]-**gloss side down**.
- 5) Close device [station].
- 6) [Reseal lure package.] *for 20 lure pack*
- 7) For heavy infestations, replace bait as consumed.
- 8) Replace lure every 21 days.
- 9) Discard used lure and bait according to disposal instructions on label.
- 10) Apply new lure and bait following instructions 1-6 [1-7] *for 20 lure pack*.
- 11) If bait label specifies more frequent applications of bait, replace lure and retreat with bait according to application schedule on bait label (following instructions 1-5) [1-6] *for 20 lure pack*.

**STORAGE AND DISPOSAL:**

Do not contaminate water, food or feed by storage and disposal.

**Pesticide Storage:** Store in a secure (preferably locked), cool dry area out of reach of children and pets until ready for use.

**Pesticide Disposal:** Wastes resulting from use of this product must be disposed of on site or at an approved waste disposal facility.

**Container Disposal:** Dispose of empty lure wrapper in sanitary landfill or by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

Woodstream Corp. and its subsidiaries will not accept liability for damage or injury resulting from use not in accordance with label instruction.
