BACK LABEL COPY

GOLDEN SOLUTION II

Golden Solution II Humidifier Bacteriostatic Water Treatment is a product to effectively control lime scale build up, and inhibit the growth of odor causing bacteria and algae for all filter type console-tabletop humidifiers. Used as directed, it is guaranteed to perform as stated on the label in the water tanks of all console humidifiers.

DIRECTIONS FOR USE

It is a violation of federal law to use this product in a manner inconsistent with its labeling. Be sure your humidifier and its filter are thoroughly clean before each heating season (use of Solution 26 Humidifier Descaler is recommended for this purpose.)

For every gallon of water contained in the humidifier tank, add no more than two capfuls (16ml.) of Golden Solution II. Fill cap to top. When refilling, add only two capfuls of Golden Solution II for every additional gallon of water.

Not for heat vaporizing or atomizing type vaporizer humidifiers.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Keep out of reach of children. Causes eye irritation. Avoid contact with eyes or clothing. Wash thoroughly with soap and water after handling. Avoid contamination of food.

STATEMENT OF PRACTICAL TREATMENT

If in eyes or contact with skin flush with plenty of water. Get medical attention if irritation persists.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.
