Precautionary Statements
Hazards to Humans & Domestic Animals

CAUTION

Harmful if swallowed or absorbed through the skin. Avoid breathing of vapors or spray mist. Avoid contact with skin or eyes. In case of contact immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. Do not contaminate food or feed. Do not remain in treated areas. Vacate premises for at least 15 minutes after spraying. Ventilate the area after treatment is completed and before re-entering.

Remove pets and birds. Cover fish aquariums before spraying.

Food should be removed or covered during treatment. All food processing surfaces should be covered during treatment or thoroughly cleaned before use. When using the product in these areas apply when the facility is not in operation.

PHYSICAL OR CHEMICAL HAZARDS

Contents under pressure. Do not puncture. Do not use or store near heat or open flame. Exposure to temperatures above 130°F. (58°C) may cause bursting. Never throw container into fire or incinerator.

DISPOSAL

Do not reuse empty container. Wrap container and put in trash collection.

Manufactured By
Heartland Industries, Inc., Walnut, CA 91789

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

BARNES, MILK ROOMS, DAIRIES, POULTRY HOUSES, PIG CONFINEMENTS, HORSE BARNES, HORSE STABLES, HOLDING PENS.

To control flies, mosquitos, gnats. Apply as a fog, directing the spray toward the ceiling and upper corners of the room until area is filled with mist. Spray 1-2 seconds per 1000 cubic feet of space. For best results, close windows and doors before spraying. Repeat application as necessary.

ON ANIMALS:

To protect animals from horn flies, stable flies, horse flies, ticks, mosquitos and gnats. Apply sufficient mist to wet the tips of the hair. Do not soak the hide. Repeat treatment as necessary.

To control blood sucking lice spray lightly to the infested area. Repeat every two to three weeks as required.
