Precautionary Statements

Hazards to Humans and Domestic Animals

CAUTION

Harmful if swallowed. Avoid inhalation of vapors. Avoid contact with skin and eyes. Wash contaminated skin promptly with soap and warm water. For eyes, flush with plenty of water. Get medical attention if irritation persists.

Do not use in commercial food processing, preparation, serving or storage areas. In the home all food processing surfaces and utensils should be covered during treatment or thoroughly washed before use. Cover exposed food.

Remove pets, birds and cover fish aquariums before spraying.

Physical Hazards

Contents under pressure. Keep away from heat, or open flame. Do not puncture or incinerate container. Exposure to temperatures above 130° F may cause bursting.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

Application should be made in the late evening when insects are at rest. Hold can upright. Remove cap. Point valve opening away from face.

Outdoors: (Wasps, Hornets, Yellowjackets) With wind at back, aim at nests in trees, bushes, under leaves, chimneys, cracks and crevices.

Indoors: (Bees) Bees are beneficial insects. Application should be made only for bees that invade buildings. Aim directly at nest under rafters, in wall voids, attics, warehouses.

STORAGE AND DISPOSAL

STORAGE: Store in a cool area away from heat or open flame.

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

contact with skin and eyes. In case of contact, immediately flush eyes or skin with plenty of water. Obtain medical attention if irritation persists. If swallowed, do not induce vomiting. Call a physician immediately.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
