

← WORKS N COLO 2

48139-4, Page 17

ACTIVE INGREDIENTS:
 N, N-diethyl-meta-toluamide . 76.00%
 Other Isomers 4.00%
INERT INGREDIENTS 20.00%
TOTAL 100.00%

KEEP OUT OF REACH OF CHILDREN
 See additional CAUTION on back panel.
 Net Weight 2.5 oz. (70.9 gm)
 EPA Reg. No. 48139-4

**TESTED IN THE FLORIDA EVERGLADES
 80% DEET***

**PRECAUTIONARY STATEMENTS
 HAZARDS TO HUMANS & DOMESTIC ANIMALS
 CAUTION**

Avoid getting into eyes or on lips, to avoid temporary irritation. Do not light matches or expose skin or clothing to fire until alcohol has evaporated (approximately 30 minutes). Harmful if inhaled. Do not breathe spray mist. Do not get in eyes. In case of contact, flush eyes with plenty of water. Get medical attention if irritation persists. May damage some plastics, varnishes or painted surfaces. Do not use Rayon or Dymel. May be used on Nylon, Orion, Wool or Cotton.

PHYSICAL OR CHEMICAL HAZARDS
 Flammable. Contains ethyl alcohol. Do not use near fire or open flame. Contents under pressure. Do not puncture or incinerate. Do not store in direct sunlight or in temperature in excess of 125°F.

DIRECTIONS FOR USE
 It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
 For mosquitoes, sand flies and biting flies, apply to face and hands by spraying into hands and rubbing lightly onto exposed skin. Spray arms if exposed or spray clothing lightly. For chiggers, ticks, or fleas, spray clothing, shoes, socks, inside and outside of trouser cuffs and other clothing openings. Repeat as needed.

DEET*, diethyl-meta-toluamide, has shown superior repellency against mosquitoes. This effectiveness is in direct proportion to the percentage of DEET in the formulation.

STORAGE AND DISPOSAL
 Do not contaminate water or food by storage. Do not re-use empty container. Wrap empty container and discard with trash.
