

14 JAN 1992

Ms. Nancy Ball
Hilton Head Laboratories
P.O. Box 22614
Hilton Head, SC 29925

Dear Ms. Ball:

Subject: Label Revision-DEET LIP
Everglades 80 Insect Repellent
EPA Registration Number 48139-4
Everglades 100 Insect Repellent
EPA Registration Number 48139-5
Submission dated January 2, 1991

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Submit five copies of the final printed labeling for each product prior to releasing the products for shipment.

1. Delete the word "ALL" which appears in the sentence "HOURS OF PROTECTION AGAINST ALL BITING INSECTS."
2. Add the heading DIRECTIONS FOR USE directly above the section beginning "READ ALL DIRECTIONS BEFORE USING THIS PRODUCT."
3. Although inclusion is encouraged, it has been determined that it is acceptable to delete the statement "If you go to a doctor, take this repellent with you" from the product label language.
4. Reinstate the qualifiers 80 and 100 in the respective product label names or utilize some other means of distinguishing between the two products referenced above. You may not use the same name under two different registrations.

Sincerely,

RFM

Richard F. Mountfort

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS - WARNING: Harmful if swallowed. May cause eye injury. Avoid contact with eyes and lips. Keep young children and infants away from this product.

STATEMENT OF PRACTICAL TREATMENT: IF IN EYES - Flush eyes with plenty of water. If irritation persists, get medical treatment. IF SWALLOWED - Call a physician or poison control center. Get medical attention.

PHYSICAL AND CHEMICAL HAZARDS - Do not use or store near heat or open flame.

DIRECTIONS FOR USE

READ ALL DIRECTIONS BEFORE USING THIS PRODUCT - It is a violation of federal law to use this product in a manner inconsistent with its labeling. Do not spray in enclosed areas. Do not apply over cuts, wounds, or irritated skin. Do not apply to eyes and mouth and do not apply to the hands of young children. Do not spray directly on face. Use just enough repellent to cover exposed skin and/or clothing. Do not use under clothing. Avoid overexposure. Frequent reapplication and saturation is unnecessary for effectiveness. After returning indoors, wash treated skin with soap and water. Wash treated clothing. Use of this product may cause reactions in rare cases. If you suspect that you or your child is reacting to this product, wash treated skin and call your local poison control center. If you go to a doctor, take this repellent with you.

Will not damage nylon, cotton, or wool. Do not apply to acetate, rayon, plastics, watch crystals, furniture, leather, painted or varnished surfaces.

DISPOSAL AND STORAGE - Do not reuse empty container. Wrap container and discard with trash. Store in a cool dry place. Do not contaminate food or water by storage.
