

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (H7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
48139-13

Date of Issuance:
FEB 4 2005

NOTICE OF PESTICIDE:
 x Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product:
Outdoor Family INSECT REPELLENT

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Hilton Head Laboratories Inc.
484 Browns Cove Road
Ridgeland, SC 29936

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration/reregistration of your product under FIFRA sec. 3(c)(5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label change:

a. Revise the EPA Registration Number to read, "EPA Reg. No." 48139-13.

Signature of Approving Official:

See page 2

Date:

February 4, 2005

3. Efficacy data guidelines are being developed. Once these guidelines are in place, product specific efficacy data will be required for all DEET products. Once the efficacy guidelines are in place, you will be notified of the efficacy requirements.

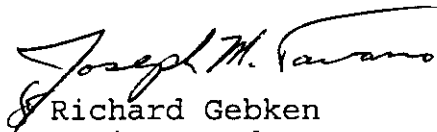

4. Submit two (2) copies of the revised final printed label for the record.

5. This product must be packaged in containers utilizing a concave trigger to help aim product or other comparable mechanism that will ensure that the product will not be inadvertently sprayed in the eyes

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

Sincerely,

Richard Gebken
Acting Product Manager 10
Insecticide Branch
Registration Division (7505C)

BACK LABEL

OUTDOOR FAMILY INSECT REPELLENT is specially formulated with a lower level of active repellent ingredients and aloe vera to feel and smell better on your skin. Repels mosquitoes, biting flies, ticks, no-see-ums, gnats, and chiggers up to 2 hours from treated skin and clothing.

PRECAUTIONARY STATEMENT: Hazards to Humans – Caution: Causes moderate eye irritation. Avoid contact with eyes. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals. Use of this product may cause skin reactions in rare cases. Wash treated clothing before wearing it again. Wash thoroughly with soap and water after handling. **FIRST AID:** Have the product container or label with you when calling a poison control center or doctor, or going for treatment. **If in eyes:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Call a poison control center for treatment advice. **Skin:** If you suspect a reaction to this product, discontinue use, take off contaminated clothing, wash treated skin and call a poison control center or doctor for treatment advice. **PHYSICAL & CHEMICAL HAZARDS: FLAMMABLE.** Do not use near heat or open flames. Keep treated surfaces away from fire, sparks, or flame until dry.

**ACCEPTED
 with COMMENTS
 In EPA Letter Dated:**
 FEB 4 2005
 Under the Federal Insecticide,
 Fungicide, and Rodenticide Act,
 as amended, for the pesticide
 registered under EPA Reg. No.
 48139-13

DIRECTIONS FOR USE: It is a violation of Federal law to use this product in a manner inconsistent with its labeling. **Read and follow all directions and precautions on this product label.** Hold container 6 to 8 inches from skin or clothing and spray with a slow sweeping motion. **Do not apply over cuts, wounds, irritated or sunburned skin. Do not spray in enclosed areas. Use just enough repellent to cover exposed skin and/or clothing. Avoid over-application of this product.** Frequent reapplication and saturation are unnecessary. **Do not allow children to handle this product.** After returning indoors, wash treated skin with soap and water. **For Maximum Protection:** Spread evenly with hands to moisten all exposed skin. **To apply to face:** Spray palm of hand first and then apply sparingly and avoid eyes. Do not spray directly onto face. Do not apply near eyes and mouth. Apply sparingly around ears. Do not apply to children's hands. When using on children, apply to your own hands and then put it on the child. **Works on clothing too:** Do not use under clothing. Spray shirts, pants, socks, and hats. For ticks and chiggers also spray cuffs, socks, and around other openings in outer clothing. Will not damage cotton, wool, or nylon. Do not apply on or near: acetate, rayon, spandex, or other synthetics (other than nylon), furniture, plastics, leather, watch crystals, and painted or varnished surfaces including automobiles.

STORAGE: Store away from heat or flame in an area inaccessible to children. **DISPOSAL:** Before disposing, empty the container by using the product according to the label. Do not reuse this container. Place in trash or offer for recycling if available. If partially filled, call your local solid waste agency for disposal instructions. Never place unused product down any indoor or outdoor drain.
