

U.S. ENVIRONMENTAL PROTECTION AGENCY
OFFICE OF PESTICIDE REGISTRATION
REGISTRATION DIVISION, WASHINGTON, D.C. 20460

EPA REGISTRATION NO. _____

15 OCT 1984

FORM OF CHANGE _____

NAME OF PESTICIDE PRODUCT _____

NOTICE OF PESTICIDE: REGISTRATION
 REREISTRATION

*(Under the Federal Insecticide, Fungicide
and Rodenticide Act, as amended)*

NAME AND ADDRESS OF REGISTRANT (include ZIP code)

NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.

A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.

Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA (c)(7)(A) provided that you:

1. Submit and/or cite all data required for registration of registration of your product under FIFRA sec. 4(c)(5) when the Agency requires all registrants of similar products to submit data.
2. Make the labeling changes listed below before the date of sale of the product.
 - a. Add the phrase "EPA Registration No. 48156-6."
 - b. Delete the phrases "Specimen Labels on -Board Swimming Pool..." and "Biolab" from the label.
 - c. Indicate your complete EPA Registration No. on the label.
 - d. Advise your storage and disposal statement to EPA.

Very truly yours,
Director, Registration Division

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

Do not reuse empty container. Triple rinse empty container with water. Return metal drums to reconditioner or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Plastic containers may be disposed of in a sanitary landfill, incinerated or, if allowed by local authorities, by burning. If burned, stay out of smoke.

The heading "Storage and Disposal" must be of the same minimum type size as the child hazard warning statement. Refer to the enclosure "The Label" for labeling type size requirements.

- e. Change your front panel referral statement to read "(See additional precautions on side panel)."
 - f. Change the sentence on your left panel to read "This algicide is compatible with many chemicals normally used in swimming pool maintenance...."
 - g. Change "Directions" to "Use Directions" or "Direction For Use."
 - h. Include immediately below the heading "Use Directions" the following misuse statement: It is a violation of Federal law to use this product in a manner inconsistent with its labeling.
 - i. Change your side panel precautionary statement to read:
- j. Change "First Aid" to "Statement of Practical Treatment."
 - k. Revise your environmental hazard statement to read:

Precautionary Statements
Hazards To Humans And Domestic Animal
DANGER

Environmental Hazards

This product is toxic to fish. Do not discharge into lakes, streams, ponds, or public waters unless in accordance with an NPDES Permit. Do not contaminate water by cleaning of equipment or by disposal of wastes.

3. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-79 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

John R. Lee
Product Manager (31)
Disinfectants Branch
