

Cross-contamination is of major housekeeping concern not only in hospitals, but in schools, institutions, and industry. IC ASSURE has been formulated to aid in the reduction of cross-contamination in these areas.

IC ASSURE is a one-step disinfectant cleaner that is effective against a broad spectrum of bacteria, is virucidal, fungicidal, and will prevent the growth of mold and mildew and their odors when used as directed.

IC ASSURE is an effective one-step sanitizer-cleaner for use on non-food contact surfaces.

When used as directed, IC ASSURE will deodorize surfaces in toilet areas, behind and under sinks and counters, garbage cans and garbage storage areas, and other places where bacterial growth can cause mal odors.

Precautionary Statements

Hazards to Humans and domestic animals

DANGER

Keep out of reach of children. Corrosive. Causes eye and skin damage. Do not get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Harmful if swallowed. Avoid contamination of food.

STORAGE AND DISPOSAL

DO NOT CONTAMINATE WATER, FOOD, OR FEED BY STORAGE OR DISPOSAL.
KEEP CONTAINER FROM BEING
RE-USE OR RE-ENTRY TO WATER.

PESTICIDE DISPOSAL

DO NOT POUR OR WASH DOWN OR DISPOSE OF WATER THAT CONTAINS IC ASSURE IN SEWERS, DRAINAGE, OR IN THE GROUND. IF IT IS NECESSARY TO DISPOSE OF IC ASSURE, IT SHOULD BE DONE IN ACCORDANCE WITH THE FOLLOWING INSTRUCTIONS:

CONTAINER DISPOSAL

DO NOT RE-USE OR RE-ENTRY TO WATER. DO NOT RE-USE OR RE-ENTRY TO WATER. DO NOT RE-USE OR RE-ENTRY TO WATER. DO NOT RE-USE OR RE-ENTRY TO WATER.

GENERAL

DO NOT RE-USE OR RE-ENTRY TO WATER. DO NOT RE-USE OR RE-ENTRY TO WATER. DO NOT RE-USE OR RE-ENTRY TO WATER. DO NOT RE-USE OR RE-ENTRY TO WATER.

IC ASSURE

Disinfectant-Cleaner-Sanitizer-Fungicide
Mildewstat-Virucide*-Deodorizer
for Hospitals, Institutional and Industrial Use
Effective in hard water up to 400 ppm hardness
(calculated as CaCO_3) in the presence of 5% serum
contamination

Active Ingredients

Octyldecyl dimethyl ammonium chloride	1.650%
Dioctyl dimethyl ammonium chloride	0.825%
Didecyl dimethyl ammonium chloride	0.825%
Alkyl (C_{12} , 50%, C_{14} , 40%, C_{16} , 10%) dimethyl benzyl ammonium chloride	2.200%

Inert Ingredients

94.500%
100.000%

KEEP OUT OF REACH OF CHILDREN

DANGER

Statement of Practical Treatment

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink promptly a large quantity of milk, egg whites, gelatin solution, or if these are not available, drink large quantities of water. Avoid alcohol. Call a physician immediately.

NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

GENERAL CLASSIFICATION

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

IC ASSURE is a one-step disinfectant cleaner, sanitizer, fungicide, mildewstat, virucide, and deodorizer effective in water up to 400 ppm hardness in the presence of 5% serum contamination.

Apply IC ASSURE to walls, floors and other hard non-porous surfaces with a cloth mop or mechanical spray device as follows: thoroughly wet surfaces for heavily soiled areas. A preliminary cleaning is required. Prepare a fresh solution daily or when the solution becomes cloudy.

Disinfection: For non-porous surfaces in hospitals add 2 oz. per gallon of water. Treated surfaces must remain wet for 10 minutes. After disinfection of water, IC ASSURE should be used on hard non-porous surfaces in school, industry and non-medical institutions.

For porosity use level: IC ASSURE has been evaluated in the presence of 5% serum and 400 ppm hard water by the AOAC use of the test and found to be effective against a broad spectrum of gram negative and gram positive organisms as represented by:

Escherichia coli
Shigella flexneri
Salmonella typhimurium
Staphylococcus aureus
Staphylococcus pyogenes
Streptococcus pneumoniae
Enterobacter aerogenes
Streptococcus lactis
Streptococcus faecalis
Streptococcus pyogenes
Staphylococcus aureus
Staphylococcus pyogenes

For schools, industry and non-medical institution use: At 1 oz. per gallon of water, IC ASSURE delivers excellent cleaning and germicidal effect. It is effective against Staphylococcus aureus, Salmonella typhimurium, Escherichia coli, and Shigella flexneri. The same AOAC tests used to confirm performance of this product were used.

Fungicidal Control

IC ASSURE is an effective fungicide against Trichophyton, Microsporum, and Athlete's foot fungus when used as directed. It is also effective against dress dermatitis, shower and bath dermatitis, and athlete's foot.

Mold and Mildew Control: At 1 oz. per gallon, IC ASSURE is effective against the growth of mold and mildew and the odors associated with them. It is effective against mold and mildew on walls, ceilings, and floors. It is also effective against mold and mildew on fabrics and other materials.

Virucidal Performance: At 1 oz. per gallon, IC ASSURE was evaluated and found to be effective in the presence of 5% serum and 400 ppm hard water against the following viruses: Influenza A, B, and C; Herpes simplex; and Adenovirus.

Sanitizing Non-Food Contact Surfaces (tables, floors, walls, labile, etc.): At 1 oz. per gallon, IC ASSURE is effective against bacteria, viruses, and fungi. It is also effective against mold and mildew. It is also effective against odors.

4. The confirmatory data submitted 2/24/83 is acceptable and has been assigned the Accession Number 249671.

5. Submit five (5) copies of your final printed labeling before you release the product for shipment. Refer to the A-19 Enclosure for a further description of final printed labeling.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFPA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.
