

— PRECAUTIONARY STATEMENTS —
HAZARD TO HUMANS AND DOMESTIC ANIMALS
STATEMENT OF PRACTICAL TREATMENT

In case of contact, immediately flush eyes or skin with plenty of water for at least 15 minutes. For eyes, call a physician. Remove and wash contaminated clothing before reuse.

If swallowed, drink large quantities of water. Avoid alcohol. Call a physician immediately. NOTE TO PHYSICIAN: Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsion may be needed.

STORAGE AND DISPOSAL

- DO NOT CONTAMINATE WATER, FOOD, OR FEED BY STORAGE OR DISPOSAL.
- DO NOT STORE CONTAINER ON ITS SIDE.
- AVOID CREASING OR IMPACTING OF CONTAINER SIDE WALLS.

Pesticide wastes are acutely hazardous. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal law. If these wastes cannot be disposed of by use according to label instructions, contact your State Pesticide or Environmental Control Agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

Do not reuse empty container. Triple rinse empty container with water. Return metal drums to reconditioner or puncture and dispose of in a sanitary landfill or by other procedures approved by state and local authorities. Plastic containers may be disposed of in a sanitary landfill, incinerated or, if allowed by local authorities, by burning. If burned, stay out of smoke.

(If container is 1 gallon size, use this container disposal statement: Do not reuse empty container. Rinse thoroughly before discarding in trash.)

aqua™

DISINFECTANT
FOAMING BOWL & BATHROOM CLEANER

ACTIVE INGREDIENTS:

n-Alkyl (50% C₁₂; 40% C₁₄; 10% C₁₆) 0.75%
dimethyl benzyl ammonium chloride 99.25%

INERT INGREDIENTS: 99.25%
TOTAL 100.00%

EPA Reg. No. 48211-36

EPA Est. No. 48211-MO-01

KEEP OUT OF REACH OF CHILDREN

DANGER

Corrosive. Causes eye damage and skin irritation. Do not get in eyes, on skin or on clothing. Wear goggles or face shield and rubber gloves when handling. If inhaled or if it is swallowed, do not breathe spray mist. Avoid contamination.

ACCEPTED

— DIRECTIONS FOR USE —

To Clean, Deodorize, and Disinfect Toilet Bowls: After flushing, force water over the trap with a swab or mop. Remove water from mop by pressing against side of bowl. Hold mop over bowl and apply 2 ounces of cleaner to it. Scrub bowl and flush ring. Rinse by flushing.

To Clean and Deodorize HIDDEN BOWL TRAPS: Pour cleaner into bowl and allow to remain several hours or overnight. This will dissolve incrustation. For best results in maintaining clean traps, repeat once a week.

To Clean and Deodorize HIDDEN URINAL TRAPS: After removing drain plate, place bowl mop in drain and pour 8 ounces of cleaner onto mop. Allow to remain a few minutes then work mop up and down until scale is removed. For best results in maintaining clean traps repeat once a week.

To Clean and Deodorize Ceramic Tile Floors and Walls: Dilute 1 part cleaner with 5 parts water. Apply and scrub lightly with a brush. If badly stained, allow to stand 5 to 10 minutes or use a stronger solution. Rinse thoroughly with clean water.

To Clean and Deodorize Tile Showers and Swimming Pool Tile: Dilute 1 part cleaner with 5 parts water. Apply and allow to stand 5 to 10 minutes. Scrub stained areas with a brush. If badly stained, use a stronger solution. Rinse thoroughly with clear water.

To Clean and Deodorize Bathroom Sinks and Tubs: Spray cleaner over entire surface and allow to stand for several minutes. Rinse with clear water. Dry and polish fixture with a soft, clean cloth. Weekly maintenance of tiled areas and fixtures with a dilution of 1 part cleaner with 5 parts water will eliminate difficult cleaning operations.
