

CAUTION

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Harmful if swallowed or absorbed through the skin. May cause eye irritation. Do not breathe vapors or spray mist. Do not get in eyes, on skin or on clothing. In case of contact immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists.

ENVIRONMENTAL HAZARDS

This product is toxic to fish and other aquatic organisms. Do not apply directly to water, except when applied for mosquito larvae control; then only around the borders of these areas and in shallow water. Do not contaminate water by cleaning of equipment or disposal of equipment washwaters. Consult your State Fish and Game Agency before applying this product.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage or disposal. Open dumping is prohibited.

PESTICIDE DISPOSAL:

Wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

CONTAINER DISPOSAL:

Triple rinse (or equivalent) and offer for recycling or reconditioning, or dispose of in a sanitary landfill, or by other approved State and local procedures.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

USE DIRECTIONS

This product is specifically designed as a mosquito breeding control. It is effective against mosquito larvae in standing water, intermittently flooded areas, stagnant water, temporary rain pools, and log ponds.

Apply MOSQUITO LARVACIDE 98 to the water surface by aircraft or ground spray equipment at the rate of 3 gallons or less per acre, assuring an even coverage of the entire area. In severe cases, such as highly polluted waters or waters of high organic content, rates may be increased up to a maximum of 5 gallons per acre.

Keep away from food, feedstuffs and domestic water supplies. Application of this product may cause an unsightly appearance, so avoid using this product if this condition is not acceptable.

WARRANTY STATEMENT

Buyer assumes all risk of use and or handling of this material when such use and or handling is contrary to label instructions.
