

U.S. ENVIRONMENTAL PROTECTION AGENCY
Office of Pesticide Programs
Registration Division (7505C)
401 "M" St., S.W.
Washington, D.C. 20460

EPA Reg. Number:
48273-22

Date of Issuance:
OCT 10 1996

NOTICE OF PESTICIDE:
 Registration
 Reregistration

Term of Issuance:
Conditional

Name of Pesticide Product:
Marman 2,4-D
Technical Acid

(under FIFRA, as amended)

Name and Address of Registrant (include ZIP Code):

Marman USA, Inc.
P.O. Box 22829
Tampa, FL 33622-2829

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c) (7) (A) provided that you:

1. Submit and/or cite all data required for registration of your product under FIFRA sec. 3(c) (5) when the Agency requires all registrants of similar products to submit such data; and submit acceptable responses required for reregistration of your product under FIFRA section 4.

2. Make the following label changes before you release the product for shipment:

- a. Revise the EPA Registration Number to read, "EPA Reg. No. 48273-22".
- b. Revise the "CONTAINER DISPOSAL" instructions to read as follows:

"Completely empty bag into formulation equipment by shaking and tapping sides of bag. Then dispose of empty bag in a sanitary landfill, or by incineration, or, if allowed by state and local authorities, by burning. If burned, stay out of smoke."

Signature of Approving Official:

Date:

OCT 10 1996

295

page 2
EPA Reg. No. 48273-22

- c. Under "Specific Requirements For End-Use Product Labeling" for "Residential and Turf Uses" revise the last sentence of the "Personal hygiene statements" for liquid products (2.b.) to read: "Remove saturated clothing as soon as possible and shower."

3. Submit one copy of the revised final printed label for the record before you release the product for shipment.

If these conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA sec. 6(e). Your release for shipment of the product constitutes acceptance of these conditions.

A stamped copy of the label is enclosed for your records.

MARMAN 2,4-D TECHNICAL ACID

ACCEPTED
with COMMENTS
In EPA Letter Dated

OCT 10 1986

Under the Federal Insecticide,
Fungicide, and Rodenticide Act
as amended, for the pesticide
registered under EPA Reg. No.

48273-22

Only For Formulation of Herbicides

KEEP OUT OF REACH OF CHILDREN

CAUTION - CAUCION

PRECAUCION AL USUARIO: Si usted no entiende la etiqueta, busque a alguien para que se la explique a usted en detalle. (If you do not understand the label, find someone to explain it to you in detail).

See Below For Additional Precautionary Statements

ACTIVE INGREDIENT:

*2,4-dichlorophenoxyacetic acid 97.9%

INERT INGREDIENTS: 2.1%

Total 100.0%

*Isomer specific by AOAC Method No. 6D01-5

NET CONTENTS: _____ LBS.

EPA Reg. No. 48273-EE EPA Est. 48273-FL-1

STOP! READ THE ENTIRE LABEL FIRST.
OBSERVE ALL PRECAUTIONS AND CAREFULLY FOLLOW DIRECTIONS.

PRECAUTIONARY STATEMENTS

Hazards to Humans & Domestic Animals

CAUTION: Harmful if swallowed. Harmful if absorbed through the skin. Avoid contact with skin, eyes or clothing. Remove contaminated clothing and wash before reuse. Wash thoroughly after handling.

Statement of Practical Treatment

If in eyes, flush with water for 15 minutes and get medical treatment. If on skin, wash with plenty of soap and water. If irritation persists, get medical attention. If swallowed, drink 1 to 2 glasses of water and induce vomiting by touching back of throat with finger. Do not give anything by mouth to an unconscious person. Get medical attention.

Environmental Hazards

Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the sewage treatment plant authority. For guidance, contact your state water board or regional office of the EPA.

Physical and Chemical Hazards

Do not use the same equipment for handling or manufacturing other agricultural chemicals.

DIRECTIONS FOR USE

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

STORAGE AND DISPOSAL

Do not contaminate water, food, feed or seed by storage or disposal.

STORAGE: Do not store near fertilizer, insecticides, fungicides or seeds. Do not reuse container. Do not ship with or store near foodstuffs.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture or rinsate is a violation of Federal law and may contaminate groundwater. If these wastes cannot be disposed of by use according to label instructions, contact your state pesticide or environmental control agency, or the hazardous waste representative at the nearest EPA Regional Office for guidance.

CONTAINER DISPOSAL: Completely empty bag by shaking and tapping sides of bags in a sanitary landfill or by incineration if allowed by state and local authorities.

Formulators using this product are responsible for obtaining EPA registration of their formulated product.

Only for formulation into herbicides for the following uses: Corn, Established Pastures and Rangelands, Fallow Land, Fencerows, Grass Seed Crops, Ornamental Turf, Rice, Roadsides, Small Grains (barley, oats, rye and wheat), Sorghum, Southern Wild Rose on Rangelands, Sugarcane and Wild Garlic in Grain Stubble; and for General Weed Control (airfields, drainage ditch banks, fencerows, industrial sites, roadsides, vacant lots and similar areas), Right-of-Ways, Tree Injection (elm, hickory, oak and sweet gum in forest and non-crop areas), Weeds and Brush on Irrigation Canal Ditchbanks and Woody Plant Control; and for Aquatic Weeds in Lakes, Drainage Ditches, Marshes and Ponds.

REC'D EPA/OP/P/DPD1
95 SEP 24 P 4:15

This product may be used to formulate products for specific use(s) not listed on this label if the formulator, user group or grower has complied with U.S. EPA data submission requirements regarding the support of such use(s).

This product can only be used to formulate pesticide products if the labeling contains the following information and/or revised use directions. All products manufactured for residential and turf (excluding sod farms) uses after June 15, 1994 must contain the revised label language below. All other products (i.e., agricultural, aquatic and industrial) manufactured after October 23, 1993 must bear the revised label language below.

GENERAL REQUIREMENTS FOR END-USE PRODUCT LABELING

- 1. Containers over 1 gallon and less than 5 gallons in capacity must bear the following statement: *Persons engaged in open pouring of this product must also wear coveralls or a chemical resistant apron.*
- 2. Containers of 5 gallons or more in capacity must also bear the following statement: *A mechanical system (probe and pump) must be used for transferring the contents of this container. If the contents of a non-refillable pesticide container are emptied, the probe must be rinsed before removal.*

SPECIFIC REQUIREMENTS FOR END-USE PRODUCT LABELING

Agricultural Uses

- 1. Clothing requirement statements: *When mixing, loading or applying this product or repairing or cleaning equipment used with this product, wear eye protection (face shield or safety glasses), chemical resistant gloves, long-sleeved shirt, long pants, socks and shoes. It is recommended that safety glasses include front, brow and temple protection. For aerial applicators in an enclosed cockpit and applicators applying this product from a tractor that has a completely enclosed cab, eye protection is not required.*
- 2. Personal hygiene statements: *Wash hands, face and arms with soap and water as soon as possible after mixing, loading or applying this product. Wash hands, face and arms with soap and water before eating, smoking or drinking. Wash hands and arms before using toilet. After work, remove all clothing and shower using soap and water. Do not reuse clothing worn during the previous day's mixing and loading or application of this product without cleaning first. Clothing must be kept and washed separately from other household laundry. Remove saturated clothing as soon as possible and shower.*
- 3. The maximum application rate to pasture and rangeland is the lower of:
 - a) the existing application rate on a currently registered label; or
 - b) 2 pounds 2,4-D acid equivalent per acre per application per site.
- 4. The maximum application rate to forestry site preparation is the lower of:
 - a) the existing application rate on a currently registered label; or
 - b) 4 pounds 2,4-D acid equivalent per acre per application per site.
- 5. A reentry interval is required and should be in accordance with the Worker Protection Standard, 40 CFR Parts 156 and 170.

Industrial/Aquatic Uses

- 1. Clothing requirement statements: *When mixing, loading or applying this product or repairing or cleaning equipment used with this product, wear eye protection (face shield or safety glasses), chemical resistant gloves, long-sleeved shirt, long pants, socks and shoes. It is recommended that safety glasses include front, brow and temple protection. For aerial applicators in an enclosed cockpit and applicators applying this product from a tractor that has a completely enclosed cab, eye protection is not required.*
- 2. Personal hygiene statements: *Wash hands, face and arms with soap and water as soon as possible after mixing, loading or applying this product. Wash hands, face and arms with soap and water before eating, smoking or drinking. Wash hands and arms before using toilet. After work, remove all clothing and shower using soap and water. Do not reuse clothing worn during the previous day's mixing and loading or application of this product without cleaning first. Clothing must be kept and washed separately from other household laundry. Remove saturated clothing as soon as possible and shower.*

Residential and Turf Uses

- 1. Clothing requirement statements:
 - a) For all granular products: *When using this product, wear long-sleeved shirt, long pants, socks and shoes.*
 - b) Products registered for use on residential and other turf sites (excluding sod farms) by homeowners and other non-commercial users, and for commercial mixer/loader/applicators when the product is to be applied to a golf course, amine products applied in liquid form and bearing a "CAUTION" signal word must bear only the following language: *When using this product, wear long-sleeved shirt, long pants, socks, shoes and rubber gloves.*
 - c) Products registered for use on residential and other turf sites (excluding sod farms) by homeowners and other non-commercial users, and for commercial mixer/loader/applicators when the product is to be applied to a golf course, amine products applied in liquid form and bearing a "WARNING" or "DANGER" signal word must bear only the following language: *When using this product, wear long-sleeved shirt, long pants, socks, shoes, rubber gloves and eye protection. It is recommended that safety glasses include front, brow and temple protection.*
 - d) Products registered for use on residential and other turf sites (excluding sod farms) by homeowners and other non-commercial users, and for commercial mixer/loader/applicators when the product is to be applied to a golf course, acid, sodium salt and ester products applied in liquid form and bearing a "CAUTION" signal word must bear only the following language: *When using this product, wear long-sleeved shirt, long pants, socks, shoes and chemical-resistant gloves.*

595

e) Products registered for use on residential and other turf sites (excluding sod farms) by homeowners and other non-commercial users, and for commercial mixer/loader/applicators when the product is to be applied to a golf course, acid sodium salt and ester products applied in liquid form and bearing a "WARNING" or "DANGER" signal word must bear only the following language: *When using this product, wear long-sleeved shirt, long pants, socks, shoes and chemical-resistant gloves and eye protection. It is recommended that safety glasses include front, brow and temple protection.*

f) Products registered for use on residential and other turf sites (excluding sod farms) by commercial mixer/loader/applicators (except when the product is to be applied to a golf course), applied in liquid form and bearing a "CAUTION" signal word must bear only the following language: *When mixing, loading or applying this product, wear long-sleeved shirt, long pants, socks, shoes and chemical-resistant gloves.*

g) Products registered for use on residential and other turf sites (excluding sod farms) by commercial mixer/loader/applicators (except when the product is to be applied to a golf course) applied in liquid form and bearing a "WARNING" or "DANGER" signal word must bear only the following language: *When mixing, loading or applying this product, wear long-sleeved shirt, long pants, socks, shoes, chemical-resistant gloves and eye protection. It is recommended that safety glasses include front, brow and temple protection.*

2. Personal hygiene statements:

a) For all granular products: *After using this product, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water.*

b) For all liquid products: *After using this product, rinse gloves before removing, remove clothing and launder separately before reuse, and promptly and thoroughly wash hands and exposed skin with soap and water. Remove saturated clothing as soon as possible.*

3. The maximum application rate to turf is the lower of:

a) the existing application rate on a currently registered label; or

b) 2 pounds 2,4-D acid equivalent per acre per application per site.

The maximum number of broadcast applications per treatment site is 2 per year.

4. The following reentry statement must be included: *Do not allow people (other than applicator) or pets on treatment area during application. Do not enter treatment areas until spray has dried or dust has settled.*

LIMITED WARRANTY: Manufacturer warrants that the chemical composition conforms to the ingredient statement given on the label and that this product is suited for the labeled use when applied according to label directions. Because of widely varying use conditions, it is impossible to eliminate all risks even when label directions are followed.

EXCLUSIONS OF OTHER WARRANTIES AND REMEDIES: Except where such disclaimers and exclusions are specifically prohibited by applicable law, the foregoing is the only guarantee or warranty applicable to this product and is given expressly and in lieu of all other warranties, expressed or implied, of merchantability or fitness for a particular purpose, and all such warranties which exceed or differ from said limited warranty are disclaimed by Manufacturer, and, upon Manufacturer's compliance with said limited warranty. Buyer shall have no remedy against Manufacturer for any type of damage or loss, and, in no event shall Manufacturer be liable for consequential damage or loss.
