U.S. ENVIRONMENTAL PROTECTION AGENCY
 Office of Pesticide Programs
 Registration Division (H7505C)
 401 "M" St., S.W.
 Washington, D.C. 20460

NOTICE OF PESTICIDE:
 Registration
 Reregistration

(under FIFRA, as amended)

EPA Reg. Number:

48377-1

Date of Issuance:

DEC - 6 2006

Term of Issuance:

Conditional

Name of Pesticide Product:

Catchmaster
Roach Killer with
Boric Acid

Name and Address of Registrant (include ZIP Code):

AP & G Co. Inc.
170 53rd Street
Brooklyn, NY 11232

Note: Changes in labeling differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above EPA registration number.

On the basis of information furnished by the registrant, the above named pesticide is hereby registered/reregistered under the Federal Insecticide, Fungicide and Rodenticide Act.

Registration is in no way to be construed as an endorsement or recommendation of this product by the Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.

This product is conditionally registered in accordance with FIFRA sec. 3(c)(7)(A) provided that you:

1. Make the following label changes:
 - a. Revise the EPA Registration Number to read, "EPA Reg. No. 48377-1".

Signature of Approving Official:

See page 4 for signature

Date:

DEC - 6 2006

b. Remove "Lethal Weapon", from the name of your product. It is the Agency's view that terms, such as "Lethal Weapon", are misleading health and safety claims and therefore constitute misbranding under section 2(Q)(1)(A) of FIFRA. Therefore, the use of "Lethal Weapon" and other similar claims is not permitted for any product registered under FIFRA.

c. Revise the Precautionary Statements Statement to Read:

Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid breathing dust. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Avoid contact with eyes or clothing.

d. Add the section entitled "Safe Handling Procedures" as follows:

Personal Protective Equipment (PPE)

Applicators, mixers, and other handlers must wear:

- long-sleeved shirt long pants,
- socks, shoes
- chemical-resistant gloves
- protective eyewear.

e. Replace the sub-head "DOMESTIC USE" to read "RESIDENTIAL USE".

f. Replace the subheading "NON-DOMESTIC USE", to read "COMMERCIAL USE".

g. Under the subheading "Use Restrictions", revise the statement to read: Apply only in areas inaccessible to children and pets. Avoid contamination of foodstuff and feed. Do not use in edible product areas of food handling establishments, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

h. Revise the following to read:

- Using easy applicator, create a barrier through which cockroaches and other insects must crawl.
- Apply ~~liberally~~ under and behind refrigerator, stove, sink, dishwasher, washing machine, dryer, and tubs in kitchen and utility rooms.
- Apply in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets.
- Apply a line from corner in rear of kitchen cabinets or drill 1/8 holes at top of kick panels beneath cabinets in kitchen and bathrooms, dusting ~~liberally~~.
- Remove lower drawers in the kitchens and bathroom cabinets, bedroom dressers, and chest of drawers and ~~liberally~~ dust into drawers and ~~liberally~~ dust into wells and under bookshelves.
- Apply into openings and void areas around plumbing, drains, pipes, and electrical conduits.
- Any powder visible after application may be brushed into cracks and crevices or removed. Reapply ~~as necessary~~ after 30 days if necessary.

i. Revise the "Warranty Statement to read:

Notice: Neither manufacturer not seller shall be liable in respect to any injury or damages suffered by reason of the use of this product for a purpose not indicated by the label or hen uses contrary to the directions or instructions hereon, nor with respect to breach of any warranty not expressly specified herein. Buyer accepts this material subject to these terms, and assumes full risk of usage and handling except when used or handled in accordance with this label.

Data Requirements

2. A one year Storage Stability (830.6317) and Corrosion Characteristics, (830.6320) studies are a requirement for the formulated product. You are required to generate a one year storage stability study for the proposed product under warehouse conditions. It is recommended that observations are made at 0,3,6,9, and 12 months intervals. The corrosion characteristics study may be carried out concurrently. These studies must be provided to the Agency within 18 months from the date of initial registration for this product.

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may be used in homes, restaurants, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theaters, ships, boats, trains, trucks, yachts, camps, mobile homes, buses zoos, kennels, military bases, libraries, utilities, and sewers.

DOMESTIC USE

Use Restrictions:

-Apply only in areas inaccessible to children and pets. Avoid contamination of feed and foodstuff. Do not use in edible product areas of food handling establishments, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

1. Using easy applicator, create a barrier through which cockroaches and other insects must crawl.
2. Apply liberally under and behind refrigerator, stove, sink, dishwasher, washing machine, dryer, and tubs in kitchen and utility rooms.
3. Apply in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets.
4. Apply a line from corner to corner in rear of kitchen cabinets or drill 1/2" holes at top of kick panels beneath cabinets in kitchen and bathrooms, dusting liberally.
5. Remove lower drawers in the kitchens and bathroom cabinets, bedroom dressers, and chest of drawers and liberally dust into drawer wells and under bookshelves.
6. Apply into openings and void areas around plumbing, drains, pipes, and electrical conduits.
7. Any powder visible after application may be brushed into cracks and crevices or removed. Reapply as necessary.

**NON-DOMESTIC USE
(Nonedible Product Areas Only)**

Application in new and existing construction to control cockroaches and other insects.

1. When treating large areas, such as voids, soffit, and subcabinet voids, dust liberally.
2. Dust into pits of dumbwaiters, elevator shafts, and trash chutes.
3. In storerooms, dust under pallets and behind boxes.

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

Storage: Store product in original container away from food and feedstuffs. Keep product in a locked storage area. Store in a dry place where children and animals cannot gain access.

Disposal: If empty: Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled: Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down an indoor or outdoor drain.

Warranty

Buyer and user assume all risk and liability of use, storage, and/or handling of this material not in accordance with the terms of this label.
