SUBJECT: Application for Pesticide Notification (PRN 98-10)
Request Alternate Brand Name "Catchmaster Roach Killing Powder (with Boric Acid)"
EPA Reg. No. 48377-1
Application Dated February 14, 2007

Dear: Ms. Wagner,

The Agency is in receipt of your Application for Pesticide Notification under Pesticide Registration Notice (PRN) 98-10 dated 02/14/07 for the above product. The Registration Division (RD) has conducted a preliminary screen of this request for its applicability under PRN 98-10 and finds that the action(s) requested fall within the scope of PRN 98-10. The label submitted with the application has been stamped "Notification" and will be placed in our records.

If you have any questions, please call me directly at 703-305-6249 or Owen F. Beeder of my staff at 703-308-8899.

Sincerely,

A handwritten signature in black ink, appearing to read "Linda Arrington".

Precautionary Statements

Hazard to Humans and Domestic Animals

CAUTION. Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid breathing dust. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Avoid contact with eyes or clothing.

Storage & Disposal

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store product in original container away from food and feedstuffs. Keep product in a locked storage area. Store in a dry place where children and animals cannot gain access.

DISPOSAL: If empty Do not reuse this container. Place in trash or offer for recycling if available.

If partly filled Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down an indoor or outdoor drain.

FIRST AID

Have this product container or label with you when calling a Poison Control Center or doctor or when going for treatment.

If in eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have this product label with you when going for treatment.

If inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.

If swallowed: Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person. You may also call 1-800-858-7378 for emergency medical treatment advice.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may be used in homes, restaurants, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theaters, ships, boats, trains, trucks, yachts, camps, mobile homes, buses, zoos, kennels, military bases, libraries, utilities, and sewers.

RESIDENTIAL USE

USE RESTRICTIONS: Apply only in areas inaccessible to children and pets. Avoid contamination of foodstuff and feed. Do not use in edible product areas of food handling establishments, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

APPLICATION DIRECTIONS

- Using easy applicator, create a barrier through which cockroaches and other insects must crawl.
- Apply under and behind refrigerator, stove, sink, dishwasher, washing machine, dryer, and tubs in kitchen and utility rooms.
- Apply in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets.
- Apply a line from corner in rear of kitchen cabinets or drill "W" holes at top of kick panels beneath cabinets in kitchen and bathroom by dusting sparingly.
- Remove lower drawers in the kitchens and bathroom cabinets, bedroom dressers, and chest of drawers and dust into drawer wells and under bookshelves.
- Apply into openings and void areas around plumbing, drains, pipes, and electrical conduits.
- Any powder visible after application may be brushed into cracks and crevices or removed. Reapply after 30 days if necessary.

COMMERCIAL USE (Nonedible Product Areas Only)

Application in new and existing construction to control cockroaches and other insects.

- When treating large areas, such as voids, soffit, and subcabinet voids, dust liberally.
- Dust into pits of dumbwaiters, elevator shafts, and trash chutes.
- In storerooms, dust under pallets and behind boxes.

Warranty

NOTE: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach, or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
