Subject: Label Notification(s) for Pesticide Registration Notice 2007-4

Dear Registrant:

The Agency is in receipt of your Application(s) for Pesticide Notification under Pesticide Registration Notice (PRN) 2007-4 dated April 3, 2009 for:

EPA Registration 48377-1 Catchmaster™ Roach Killing Powder (with Boric Acid)

The Registration Division (RD) has conducted a review of this request for applicability under PRN 2007-4 finds that the label change(s) requested falls within the scope of PRN-2007-4. The label has been date-stamped "Notification" and will be placed in our records.

Please be reminded that 40 CFR Part 156.140(a)(4) requires that a batch code, lot number, or other code identifying the batch of the pesticide distributed and sold be placed on nonrefillable containers. The code may appear either on the label (and can be added by non-notification/PR Notice 98-10) or durably marked on the container itself.

If you have any questions, please contact me directly at 703-305-6249 or Banza Djapao of my staff at 703-305-7269.

Sincerely,

A handwritten signature in black ink, appearing to be "Linda Arrington".

Precautionary Statements

Hazard to Humans and Domestic Animals

CAUTION. Harmful if swallowed or inhaled. Causes moderate eye irritation. Avoid breathing dust. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco. Avoid contact with eyes or clothing.

Storage & Disposal

Do not contaminate water, food, or feed by storage or disposal.

STORAGE: Store product in original container away from food and feedstuffs. Keep product in a locked storage area. Store in a dry place where children and animals cannot gain access.

CONTAINER DISPOSAL: Nonrefillable container. Do not reuse or refill this container. Offer for recycling, if available.

FIRST AID	
Have this product container or label with you when calling a Poison Control Center or doctor or when going for treatment.	
If in eyes	Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after 5 minutes, then continue rinsing. Call a poison control center or doctor for treatment advice. Have this product label with you when going for treatment.
If inhaled	Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth-to-mouth if possible. Call a poison control center or doctor for treatment advice.
If swallowed	Call a poison control center or doctor immediately for treatment advice. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything by mouth to an unconscious person. You may also call 1-800-858-7378 for emergency medical treatment advice.

If partly filled Call your local solid waste agency or 1-800-CLEANUP for disposal instructions. Never place unused product down an indoor or outdoor drain.

Directions for Use

It is a violation of Federal law to use this product in a manner inconsistent with its labeling.

This product may be used in homes, restaurants, markets, schools, warehouses, factories, offices, hotels, motels, hospitals, nursing homes, garages, grocery stores, apartment buildings, new construction, industrial plants, theaters, ships, boats, trains, trucks, yachts, camps, mobile homes, buses, zoos, kennels, military bases, libraries, utilities, and sewers.

RESIDENTIAL USE

USE RESTRICTIONS: Apply only in areas inaccessible to children and pets. Avoid contamination of foodstuff and feed. Do not use in edible product areas of food handling establishments, restaurants, or other areas where food is commercially prepared or processed. Do not use in serving areas while food is exposed.

APPLICATION DIRECTIONS

- Using easy applicator, create a barrier through which cockroaches and other insects must crawl.
- Apply under and behind refrigerator, stove, sink, dishwasher, washing machine, dryer, and tubs in kitchen and utility rooms.
- Apply in cracks and crevices along baseboards and corners of cabinets, cupboards, and closets.
- Apply a line from corner in rear of kitchen cabinets or drill 1/2" holes at top of kick panels beneath cabinets in kitchen and bathroom by dusting sparingly.
- Remove lower drawers in the kitchens and bathroom cabinets, bedroom dressers, and chest of drawers and dust into drawer wells and under bookshelves.
- Apply into openings and void areas around plumbing, drains, pipes, and electrical conduits.
- Any powder visible after application may be brushed into cracks and crevices or removed. Reapply after 30 days if necessary.

COMMERCIAL USE

(Nonedible Product Areas Only)

Application in new and existing construction to control cockroaches and other insects. Wear normal work clothing (e.g., long sleeve shirt, long pants, shoes plus socks) and a NIOSH/MSHA approved dust mask respirator.

- When treating large areas, such as voids, soffit, and subcabinet voids, dust liberally.
- Dust into pits of dumbwaiters, elevator shafts, and trash chutes.
- In storerooms, dust under pallets and behind boxes.

Warranty

NOTE: Seller warrants that this product complies with the specifications expressed in this label. To the extent consistent with applicable law, Seller makes no other warranties, and disclaims all other warranties, express or implied, including but not limited to warranties of merchantability and fitness for the intended purpose. To the extent consistent with applicable law, Seller's liability or default, breach, or failure under this label shall be limited to the amount of the purchase price. To the extent consistent with applicable law, Seller shall have no liability for consequential damages.
