Subject: Sanuril 110 Tablets
EPA Registration No. 48482-2
Application Dated September 22, 1998

Dear Ms. Vega:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide and Rodenticide Act, as amended, to change the company name and product name is acceptable provided that you make the labeling change listed below before you release the product for shipment bearing the amended label.

The If Swallowed directions under the statement of Practical Treatment - First Aid should be revised to read: IF SWALLOWED: Drink large amounts of water. Do not induce vomiting. Call a physician or poison control center immediately.

A stamped copy of your labeling is enclosed for your records. Submit one (1) copy of the final printed label prior to release of the product for shipment.

If you have any questions concerning this letter, please contact Wanda Mitchell at (703) 308-6345.

Sincerely,

Robert S. Brennis
