DIRECTION FOR USE

IT IS A VIOLATION OF FEDERAL LAW TO USE THIS PRODUCT IN A MANNER INCONSISTENT WITH ITS LABELING.

CLOR-MOR CAL HYPO GIANT TABS are a slow dissolving form of calcium hypochlorite which provide a convenient source of available chlorine. It is recommended for use as a sewage effluent disinfectant and for other related applications where a continuous source of chlorine is required.

The amount of chlorine delivered will depend upon the flow rate of the water being treated, the amount of CLOR-MOR CAL HYPO GIANT TABS being used, and the configuration of the active bed of tablets. To provide an available chlorine concentration of 6 ppm will require about 1.4 pounds, or six CAL HYPO GIANT TABS for each 20,000 gallons of water treated. In practice the number of CLOR-MOR GIANT TABS used should be adjusted to satisfy the chlorine demand and to maintain a proper chlorine residual. Measurement of the total available chlorine (combined plus free) in water treated with CLOR-MOR GIANT TABS is best accomplished by employing the idometric titration technique (described in Standard Methods for the Examination of Water and Wastewater, Sixteenth Edition, 1985, American Public Health Association, Inc. pp 298-303).

For detailed information concerning specific applications, write to Exceltec International, 1110 Industrial Blvd., Sugar Land, Texas 77478.

Storage and Disposal: Keep product dry in a tightly closed container when not in use. Store in a cool, dry and well ventilated area away from heat or open flame. In case of decomposition, isolate container and flood with large amounts of water to dissolve all material before discarding this container. DO NOT reuse empty container, but place in trash collection. DO NOT contaminate food or feed by storage, disposal or cleaning of equipment. Shelf life is one (1) year in an UNOPENED container.

ACCEPTED CLOR MOR is a registered trademarty of Froeting Internetional Corporation.

EPA REG. NO. LR46H-199B

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

DANGER: Highly Corrosive — Causes Skin and Eye Damage — May Be Fatal if Swallowed — DO NOT get in eyes, on skin, or on clothing. Wear goggles or face shield and rubber gloves when handling. Do not breathe dust or turnes. Wash thoroughly with soap and water after handling. Irritating to nose and throat. Remove and wash contaminated clothing before reuse.

Environmental Hazards: This pesticide is toxic to lish and aquatic organisms. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sever systems without previously notifying the sewage treatment plant authority. For guidance contact your State Water Board or Regional Office of the EPA.

PHYSICAL AND CHEMICAL HAZARDS

STRONG OXIDIZING AGENTI Mix only with water, Use clean, dry utensits. Open container only where adequate ventilation is available. DO NOT add this product to any dispensing device containing remains of any other product. Such use may cause a violent reaction leading to fire or explosion. Contamination with moisture, organic matter or other ofternicals may start a chemical reaction with generation of heat, liberation of hazardous gases, and possible generation of fire and explosion. Keep away from flammable or burning material. In case of contamination or decomposition, DO NOT reseal container. If possible isolate container in open air or well ventilated area. Flood with large volumes of water if necessary.

Warranty Statement: Selier warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on this label when used in accordance with directions under normal conditions of use and buyer assumes the risk of any use contrary to such directions. Selier makes no other express or implied warranty, including any other express or implied warrant of fitness or of merchantability and not agent of Selier is authorized to do so except in writing with a specific reference to this warranty. In no event shall Selier's liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.

Children can fall into bucket and drown. Keep children away from bucket with even a small amount of water.
