PINE-SPRING 211  
DISINFECTING DEODORIZING CLEANER

Pine-Spring 211 has a fresh, feisty aroma of pine and is an effective disinfecting, deodorizing cleaner. It does the job on any washable hard surface where odor-causing germs flourish. Use it to refreshen the family laundry, deodorize diapers and retard the growth of unsightly, smelly mold and mildew. Without the need for hard rubbing or rinsing, it penetrates grime, grease, wax and films of dirt on floors, walls, tubs, toilets, shower stalls, kitchen sinks and other hard non-food contact surfaces throughout the household.
