Dear Mr. Plant:

The labeling referred to above, submitted in connection with registration under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended, is acceptable subject to the comments listed below. Five copies of the finished labeling must be submitted prior to releasing the product for shipment.

Reinstate: In commercial food handling facilities, cover or remove any food and food processing equipment during application. Do not apply while food processing is underway.

Retain the references to home environment and the added statement about food contact surfaces.

Sincerely,

A handwritten signature in cursive script that reads "Richard F. Mountfort".
