

US ENVIRONMENTAL PROTECTION AGENCY OFFICE OF PESTICIDES PROGRAMS REGISTRATION DIVISION (75-767) WASHINGTON, DC 20460	EPA REGISTRATION 48760-9	DATE OF ISSUANCE JUN 3 1987
	TERM OF ISSUANCE	
NOTICE OF PESTICIDE: <input type="checkbox"/> REGISTRATION <input type="checkbox"/> REREGISTRATION <i>(Under the Federal Insecticide, Fungicide, and Rodenticide Act, as amended)</i>	NAME OF PESTICIDE PRODUCT "PYRETHRINS 60" Insecticide Aerosol	
NAME AND ADDRESS OF REGISTRANT (Include ZIP code)		
Hoffman Chemical Corporation 728 SW. 7th Terrace Fort Lauderdale, FL 33311		
NOTE: Changes in labeling formula differing in substance from that accepted in connection with this registration must be submitted to and accepted by the Registration Division prior to use of the label in commerce. In any correspondence on this product always refer to the above U.S. EPA registration number.		
On the basis of information furnished by the registrant, the above named pesticide is hereby Registered/Reregistered under the Federal Insecticide, Fungicide, and Rodenticide Act.		
A copy of the labeling accepted in connection with this Registration/Reregistration is returned herewith.		
Registration is in no way to be construed as an indorsement or approval of this product by this Agency. In order to protect health and the environment, the Administrator, on his motion, may at any time suspend or cancel the registration of a pesticide in accordance with the Act. The acceptance of any name in connection with the registration of a product under this Act is not to be construed as giving the registrant a right to exclusive use of the name or to its use if it has been covered by others.		
This registration is being issued in accordance with 40 CFR section 301.10(a) subject to the following conditions:		
1. It is understood that you will submit with an adequate amount of data to support the registration of your product under the Act, including the data required by the Agency in connection with the registration of your product.		
2. The Registration Number which has been assigned to this product must appear on the label as EPA Registration No. 48760-9.		
3. You will submit five (5) copies of finished printed labels before you release the product for shipment as required by 40 CFR 152.10 of 4/14/1982. Your finished printed labels must also comply with the general labeling requirements of 40 CFR 152.10. For a description of finished printed labeling.		
BEST AVAILABLE COPY		
<input type="checkbox"/> ATTACHMENT IS APPLICABLE		
SIGNATURE OF APPROVING OFFICIAL		DATE

A stamped copy of the draft label is enclosed for your records. Your release of the product for shipment constitutes acceptance of these conditions. If the conditions are not complied with, the registration will be subject to cancellation in accordance with FIFRA section 6(e).

PYRETHRINS 60

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with these label directions.

GENERAL: Use common sense. Read label thoroughly before use. In homes, hotels & motels, hospitals, schools, theaters, etc. Remove all people from areas to be sprayed and shut off air conditioning and ventilation. Ventilate one (1) hour before reentry. In kennels, poultry houses, stables, veterinary offices, etc. Remove all animals before spraying. Ventilate one (1) hour before their reentry! This product is harmful to birds & fish—remove birds and cover or remove aquariums before spraying.

HOW TO USE: As stated above, remove all people and pets first. Take any sanitary measures to clean up dirt that may attract insects. Close off ventilation and spray at a rate of 3 seconds (1 oz.) per 1000 cubic foot area (100-125 square ft.) to be treated. Aim spray at cracks and crevices, under sinks, in cabinets and closets, behind cartons and underneath furniture using short bursts. Finally, spray into the air at a 45° angle for 2-4 seconds or until room is filled with mist, contacting as many insects as possible.

FLYING INSECTS: Use as above contacting as many insects as possible. Repeat as needed.

CRAWLING INSECTS: Use as above directing spray behind stoves, shelving, refrigerators, cabinets, processing equipment, under sinks, in cracks and crevices and anywhere these insect pests are suspected of harboring. Contact as many exposed insects as possible. Repeat as needed.

FLEAS, TICKS, LICE, BEDBUGS & CARPET BEETLES: Vacuum all carpets and throw away bag, clean all infested laundry and hampers. Shut off ventilation and windows. Spray all carpets, furniture and floor areas no closer than a distance of 2 ft. at 10 sec. per 100 square feet. Do not spray pets with this product. Shampoo animals with HOFFMAN'S "MEDI-PET" FLEA AND TICK SHAMPOO. Repeat as necessary.

FOOD PROCESSING AREAS: Cover or remove all food and food handling utensils. Do not apply this product while food processing is under way. Thoroughly wash all food processing surfaces before reuse. After spraying in food processing areas, wash with potable water all equipment, benches, shelving, etc. where exposed food will be handled. Repeat as necessary.

WASPS & HORNETS: Spray at a distance of 3 feet directing mist at nest. Get away fast as this will agitate these pests. Use HOFFMAN'S "SWAT" WASP AND HORNET JET as the preferred insecticide for these pests.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

WARNING: May be harmful if swallowed, inhaled or absorbed through skin. Avoid breathing spray mist and provide adequate (1 hour) ventilation of treated area after treatment. Do not aim spray toward your face. Remove people and animals before spraying. Do not apply directly to food, water or food supplements. Do not apply directly to animals. Wash teats of dairy animals before milking. Remove clothing and wash if it becomes contacted with spray. Wash skin thoroughly with soap and water after using.

IF POISONING OCCURS: Dial 911 and contact a Poison Control Center immediately. Keep this can in your possession, especially if you must go to a hospital.

PHYSICAL HAZARDS: Non-flammable solvent and propellant under pressure. Do not puncture can or expose to flame. Do not incinerate can. Exposure to temperatures above 130° F may cause bursting. Avoid excessive spraying of vinyl or tile flooring and varnished or painted surfaces as this product can cause staining or warping of finishes. Do not spray directly into electrical equipment such as radios, televisions, etc.

ENVIRONMENTAL HAZARDS: This product is toxic to animals, birds and fish. Do not spray into water or contaminate water by disposal. Apply this product according to label directions.

STORAGE & DISPOSAL: Keep in a locked, cool and dry storage area away from heat or open flame. Do not reuse empty container. Wrap container and put in trash collection.
