ACCEPTED	
DEC 1 0 1986	
U	Section 101
For	Federal Insecticide, Fungicide, and Rodenticide Act, as amended, for the pesticide registered under EPA Reg. No. 49199-3

PRECAUTIONARY STATEMENT
 Hazards to humans and domestic animals.
 Physical or chemical hazards.
 Use rubber gloves when handling towelette.
 Causes eye and skin irritation. May cause dermal sensitization. Do not get in eyes, on skin or clothing. If irritation occurs, discontinue use.

Directions for use.

It is a violation of federal law to use this product in a manner inconsistent with its labeling.

for tubs

To start feed: Flip open cap. Remove and discard foil seal. Remove large cover from container. From center of towelette roll, pull up towelette corner, twist it into a point and thread it through the hole in the container cover. Pull through about one inch. Replace cover. Pull out first towelette and snap off at a 90 angle. Remaining towelettes feed automatically, ready for next use. When through using, keep small center cap closed to prevent moisture loss..

for foil packets with folded towelette
Remove towelette from package and unfold.

for foil packets with towelette attached to inside of foil
Peel foil package apart. Towelette is bonded to inside of package.

To disinfect clean, hard, non-porous surfaces such as chairs, counters, trays, drawer pulls: Thoroughly wipe contaminated surface with wet towelette and allow it to dry. Discard towelette after use.

KILLS: Salmonella cholerasuis, Staphylococcus aureus, Psuedomonas aeruginosa.

EFFECTIVE AGAINST: Gram negative and gram positive bacteria..

for tubs

DISPOSAL: Do not reuse empty container. Wrap container and put in trash collection.

for foil packets

DISPOSAL: Place towelette and wrapper in trash collection..
