SIDE PANEL

PRECAUTIONARY STATEMENTS: HAZARD TO HUMANS AND DOMESTIC ANIMALS.  
CAUTION: HARMFUL IF SWALLOWED. MAY CAUSE EYE IRRITATION. AVOID  
EYE CONTACT. WASH THOROUGHLY AFTER HANDLING.

Directions for use: It is a violation of federal law to use this  
product in a manner inconsistent with its labeling.

To control Pharoah ants, Sugar ants, and Grease ants apply small  
amounts of the product behind light switches, plug shields,  
medicine cabinets; into openings around drains, water pipes, and  
electrical conduits; apply to all cracks and crevices where ants  
are seen to emerge; concentrate control efforts in kitchen and  
bathroom areas, these areas provide food, warmth, and water.

BACK PANEL

Note: This product can be effective only if it is located by foraging  
ants. These individuals must be allowed to recruit other ants to  
distribute the bait to the brood and queen. The use of contact  
poisons in addition to this product will drastically reduce its  
effectiveness by disrupting recruitment.

This product may be used in homes, restaurants, markets, schools  
warehouses, factories, offices, hotels, motels, hospitals, nursing  
homes, garages, grocery stores, apartment buildings, new construction  
industrial plants, theaters, ships, boats, trains, trucks, yachts,  
camps, mobile homes, buses, zoos, kennels, military bases, libraries,  
utilities, and store rooms. Reapply as necessary. Any liquid  
visible after application should be removed with a moist paper towel.  
Apply only to areas inaccessible to children and pets. Do not use  
in edible product areas of food handling establishments, restaurants,  
or other areas where food is commercially prepared or processed.
