

PRECAUTIONARY STATEMENTS
Hazard To Humans And Domestic Animals

DANGER

Corrosive. Causes irreversible eye damage and skin burns. May be fatal if inhaled. Harmful if swallowed or absorbed through skin. Do not get in eyes, on skin or on clothing. Prolonged or frequently repeated skin contact may cause allergic reaction in some individuals.

Wear protective eyewear (goggles, face shield or safety glasses). Wear protective clothing with a long-sleeved shirt, long pants, socks, shoes, chemical resistant gloves and an apron. Wash thoroughly with soap and water after handling and before eating, smoking, drinking or using tobacco. Follow manufacturer's instructions for cleaning/maintaining personal protective equipment (PPE); if no such instructions for washables use detergent and hot water. Keep and wash PPE separately from other laundry.

ENVIRONMENTAL HAZARDS

This product is toxic to fish. Do not discharge effluent containing this product into lakes, streams, ponds, estuaries, oceans or other waters unless in accordance with the requirements of a National Pollutant Discharge Elimination System (NPDES) permit and the permitting authority has been notified in writing prior to discharge. Do not discharge effluent containing this product to sewer systems without previously notifying the local sewage treatment plant authority. For guidance, contact your State Water Board or Regional Office of the EPA.

PRECAUTIONARY STATEMENTS**

FIRST AID

Have the product container or label with you when calling a poison control center or doctor, or going for treatment.

IF INHALED:

- Move person to fresh air.
- If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.
- Call a poison control center or doctor for further treatment advice.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15-20 minutes.
- Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye.
- Call a poison control center or doctor for treatment advice.

**IF ON SKIN
OR
CLOTHING:**

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15-20 minutes.
- Call a poison control center or doctor for treatment advice.

**IF
SWALLOWED:**

- Call a poison control center or doctor immediately for treatment advice.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

ACCEPTED

SEP 29 2006

Under the Federal Insecticide, Fungicide, and
Rodenticide Act as amended, for the
pesticide, registered under
EPA Reg. No. 49403-19

In case of emergency call toll free: 1-800-424-9300

NOTE TO PHYSICIAN

Probable mucosal damage may contraindicate the use of gastric lavage. Measures against circulatory shock, respiratory depression, and convulsions may be needed.

DIRECTIONS FOR USE

It is a violation of Federal Law to use this product in a manner inconsistent with its Labeling.

Detailed information on physical and chemical properties and other detailed directions for use can be found in the Parachlorometacresol (PCMC) Technical Information Sheet. Obtain and read this information before undertaking the use of PCMC in order to avoid process mistakes.

Only for formulation as a preservative against bacteria or disinfectant for the following uses:

1. Only for formulation into microbiocide for the following use(s) Only for formulation into microbiocide for the following use(s)

industrial adhesives, general preservatives for leather, paper products, textiles, fibers and cordage, resin/latex/polymer emulsions, metalworking/cutting fluids, and industrial coatings.

2. General Hard Surface Disinfectant Uses

3. Uses for which US EPA has accepted the required data and/or citations of data that the formulator has submitted in support of registration; and

4. Uses for experimental purposes that are in compliance with US EPA requirements.

STORAGE AND DISPOSAL

Do not contaminate water, food, or feed by storage or disposal.

PESTICIDE STORAGE: Product should be stored in an area that is not subject to extreme temperatures. Proper protective equipment, as indicated above, should be worn when opening, transferring, and using product. Close drum tightly when not in use. Spill- leak procedures and additional handling information is contained in the material safety data sheet.

PESTICIDE DISPOSAL: Pesticide wastes are toxic. Improper disposal of excess pesticide, spray mixture, or rinsate is a violation of Federal Law. If these wastes cannot be disposed of by use in accordance with label instructions, contact your State Pesticide or Environmental Control Agency or the Hazardous Waste Representative of your EPA Regional Office for Guidance.

CONTAINER DISPOSAL: Completely empty liner by shaking and tapping sides and bottom to loosen clinging particles. Empty residue into application equipment. Then dispose of liner in sanitary landfill or by incineration if allowed by state and local authorities. If drum is contaminated and cannot be reused, dispose of in the same manner.
